

A struggling bochur

Posted by Shnitzel and kugel - 26 Jun 2018 19:00

Hi, everyone I'm a 21 year old bochur, struggled with masturbation since 14! Went to Yeshivah and bh had no access to technology so it wasn't really a issue then when I got a smartphone 2 years ago the issue started again. Bh I discovered this website 3 weeks ago, then I installed webchaver and iml very careful now with Shmiras ainayim whilst walking in the street, and I've also joined the 90 day challenge and I'm currently 16 days clean! lyh many more day by day with the eibishter's help!

Any other bochurim out there in my boat?

Sounds crazy, but sometimes I would go through the forums just because I had a big lust, and that was my only way to let it out.

i know there was once a thread about this a few years ago, I realized I had this problem recently but apparently im not the only one.

Apparently i didn't give my lust up completely and the ???"? is very smart, so iyh I'll stop looking at other people's forums, for me it could do more damage than fixing my problem...

Also some articles from the daily emails sometimes gets me triggered, cuz anything small turns me on.. but bh nevertheless bh it didn't cause my to watch pornography or masturbate, 57 days clean bh!
