

Make it to Yeshiva

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

A very big win just now, Baruch HaShem.

Trying to fall asleep now and return to Yeshiva in the morning on a high, B'ezras HaShem.

Thanks for checking in.

Baruch HaShem I am 11 days clean.

Taking it day by day.

I just got home now for some appointments and should be heading back Tuesday morning.

I made a deal with my friend that if I'm clean over these days we'll go out to dinner.

That kinda deal worked to get me to a week bh.

Was clean for 14 days.

Went to mall with family and was nichshal a lot in Shmiras Eynayim...

Held back again tonight from computer.

But after a big fight in bed now, just masterbated.

These last 14 days showed me that I can still be matzliach in this inyan.

I will now aim for 21 days B'ezras HaShem.

That is amazing! It really looks like things are starting to pick up!

Stay positive, you know you can do it. Count it as a huge win that you didn't go onto the computer.

As far as the mall is concerned, I would word it "I struggled a lot with shemiras einayim..." Lets not get involved in whether or not it's a good idea to go to the mall or not, but if you choose to go, it's not going to be easy. If you want to call something "nichshal" it's putting yourself into a bad situation, once your in it, you can't be hard on yourself for having a hard time, we all would.

Thanks.

And I'd never go to the mall on my own volition. Haven't gone in at least 2 years bh.

Was with my sisters fam from Eretz Yisrael and they wanted to go there for activities for their kids (indoor playground).

I am not saying that there is anything wrong, what I am saying is that there is also nothing wrong with a struggling when you are in a difficult place. That's what happens to the best of us.

Held back from the computer again. But masterbated and listened to erotica. It's embarrassing to say that but ya. Feels not as bad as watching stuff and even if that's true it doesn't matter.

Bh my appointment today was good.

It's great to hear that you are still having many victories, you have always impressed me and should really be proud of yourself!

I think it's one of the first posts in this thread, but it still holds true. Even if you masturbate, don't go onto watching worse things, it will make it much harder. I think you said you never watched porn and that's extremely impressive, try keep it that way.

Bh my appointment today was good.

Amazing that you have it within you to bounce back, its great to have you around, there are so many here that look up to you and are inspired by you!
