

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Hey guys, I need some chizzuk.

Was shmuzing with some friends in Yeshiva tonight, and they started discussing a tv show about off the derech people, I hadn't heard of it before so they told me about it.

Then my friend took out his laptop to show us the trailer.

It was me and a few guys and immediately at the beggining there was a woman with her chest showing, I was taken aback and walked away, and my friends didn't flinch. They kept watching it, and told me (as saying nebach it's so crumb) it was very inappropriate, and kissing etc.

I was so surprised that these guys had no boosha to see that in a yeshiva dorm together.

I felt bad that maybe I looked too frum and there was a guy who said sarcastically "you're suuucchh a tzaddiikk," and thought maybe I should apologize, but I didn't. Instead I said "I'm not such a tzadik, I just know that if I see breasts I'll go crazy."

The thing is, it's not that I'm super duper perfect with Shmiras Eynayim, I was just repulsed at that moment, which made me feel hypocritical...

Look at the mirror and repeat his words (minus the cruel sarcasm):

"Yes, I AM such a tzadik!"

I dunno how you withstood that; the Malachim in shamayim are dancing with joy (and here in Grodno, we are celebrating as well :)

BTW I love how you were so honest about how the graphic stuff would make you crazy;
embrace your humanity...but then be a hero!

?chazak, bro!

I don't know how you did it. If it was me I would be extremely tempted to look. You should be
very proud of yourself.

All I can say is you did a great job!

Keep doing what you are doing, your approach is great.

Btw when someone calls you a tzaddik sarcastically, even if he doesn't mean it as a
compliment, it's still true!

Yeshiva guy , because you are constantly working on this your Neshama is much more sensitive to tumah.

Your friends may unfortunately be involved with these issues, perhaps you can somehow refer them to this wonderful website.

Standing up for basic principles yet occasionally getting overtaken by the beast is not hypocritical

You made a very interesting point, something that scares me personally. when i go in the street it disturbs me to see pritzus, it repulses me, not all the time but alot of the time. however between me and my device its like a switch turns on and everything is fine [in a bad way]. so i definitely empathize with the hypocrisy feeling.

it just goes to show we are all pure inside just covered up a bit [or alot] with garbage.

all the best

What strength Yeshiva Guy.

A interesting way of looking at the whole idea of training ourselves, is by not trying to squash the YH, and turn him into pulp, but rather if we work hard on ourselves we can turn the YH into a YT.- from the Tanya Kadisha.

?YG you definitely did that.

Good shabbos

I really want to just masterbate and get it over with. Feels like I'll be able to learn and daven better if I can just get this stuff out already.

Its so stupid though. I'm going crazy for what? To ejaculate? To have some stuff come out of my penis?! That's so pointless and meaningless.

On the other hand, like, Hashem what's the big deal? Why does GD care whether I ejaculate or not?

Idk, just getting out my thoughts.

It sounds like an easy fix, but it will help exactly till the next build up. It's a short term gain but a long term lost.

I think Dov speaks about it in a post named "the nuclear reset button" or something like that.

Don't give in my friend, I do understand the frustration.
