Make it to Yeshiva Posted by YeshivaGuy - 04 Aug 2020 05:33 Hi everyone, First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu. I bh am not addicted to pornography. I haven't been on a porn website. But I'm getting close, and I'm here to gain chizuk not to fall into it. Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila. I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks. i want to just express my gratitude to all of you, and my great admiration for each and every one of you. My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos" So I'm here to gain that chizuk. thank you! ==== Re: Make it to Yeshiva Posted by Rt234 - 23 Aug 2021 18:44

2 days clean Bh.
Wanted to be nichshal today cuz "might as well," but I'm done with this stuff.
I'm trying to take what I wrote on the "Elul Anyone???" Thread to heart and realize that the goal is not perfection.
Obviously I need to continue working on these invanim, but I do beleive for the most part that this stuff is no longer a part of me.
Its like any other aveira I'm nichshal in from time to time.
Part of being an ???.
But it doesn't define and devour my life
Anyway, have a wonderful night!
Ps. My 2nd seder chavrusa just ditched me and I'm pretty upset cuz was for a super dumb

reason (it would be fine if was because he didn't like learning together...) and now I'm left high

2/7

o.o.ioiatoa.	•	ou.,,	,	

Would be nice to release the anger with masterbating but what would that accomplish?						
Nothing.

I'd love to masterbate again, to feel the rush.						
But I really don't wanna go back down that road. It's miserable.

Sweat it out, embrace the pain. Then stand tall and tell Hashem "This one is for You."

GYE - Guard Your Eyes Generated: 7 July, 2025, 10:46 I have a lot of pent up energy. Also feeling tired and sluggish. Would be easy to slide into bed and masterbate. Instead I will force myself to drive a few min from Yeshiva where I found a nice lake with a path around it. Not so down but I'll do it. Will let y'all know how it goes. Re: Make it to Yeshiva Posted by YeshivaGuy - 29 Aug 2021 19:29 It was nice. But most of the time I was fantasizing of meeting a girl on the trail...

Was barely anyone there anyway though.

Now I'm back and have a lot of taiva to masterbate. Really not down for 2nd Seder...

I want hanaa, pleasure. That's what I want.

I want to feel good.

I actually had an amazing first seder today, got a clearer havana in the sugya of ???? ????? ????... and was excited about the learning for the first time in awhile, bh.

During the break I turned myself on.

Been struggling whether or not to masterbate.

Feels like once I turned myself on there's anyway no point in holding back.

(Thank you @LionKing for helping me through).

I know that I must go through this time period of excruciating pain again in order to get back to and beyond where I was a few months ago when was 198 days clean.

And that knowledge just isn't allowing me to give up.
