

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Been good bh, but will adopt now your nusach:

I, YeshivaGuy, swear, that if I contact/engage in conversation with at all, with this non-Jewish woman, I will right away speak to another gye friend. I will speak to a gye friend right away regardless. If I don't call a friend to chat about it in the next 36 hours, I will donate \$100 to IMG (thought I'd bring him back a shtikl)."

Why is there something wrong with talking to a non Jewish woman (such as my therapist)?

Tractate Nedarim is over bro.

No more swearing allowed.

Chat with me (serious!) or any other brother here.

Don't wait till you hit danger zone.

Warning: Spoiler!

Thank you for treating a bas Yisroel with the dignity and respect she deserves. May Hashem bench you with brocha v'hatzlocha as a reward for doing so. The bayis you will eventually build b'ezras Hashem will have a strong yesod of kedusha and mutual respect.

Amein! Thank you so much and for helping me daily bh.

It means a lot to hear support about this since many people do pictures and can look at me as just being dumb.

I have good chaveirim like me though but not being in Yeshiva full time means I can "get away" with things without social pressure...

More I could weight but for @Marx I'll just wish you all a Gut Shabbos.

Fantasizing bout shiksa I broke off with. Didn't distract myself properly.

Began bad vid, masterbated at beginning before getting explicit.

Fall in masterbating, still clean from porn though.

Wont fall further.

See ya

My friend, simply unreal! I wrote you a dvar Torah here a little while back about that being the ko'ach of Yosef haTzaddik. Keep it up, my holy friend!

After being strung along for a week and the person calling zero of my references, got a no for something they should've been able to say on day 1.

But good I grew this week from chapping it's legit time. Yes I'm pissed. No I won't do stupid stuff as a result. Yes I will take this more time to further get prepared for someone actually interested in me, what I'm doing, and what I'm gonna do which will be earth shattering.

Not everyone's up for the ride I suppose.

It's so funny, if I was meant to marry every girl I was positive I would marry, I would've been married to at least 10 girls by now.

God controls the world.

Hopefully I could control my own world too!

If you really want I can give you her number too (covered by insurance, but she's not an addiction specialist).

"Why is there something wrong with talking to a non Jewish woman (such as my therapist)?"

yeshiva guy didnt tell us how he chatted with his non jewish female friend ,i assume it was "in a non professional way " and if thats how you talk to your female therapist there might be something wrong with that, but i might have misunderstood your question

"If you really want I can give you her number too (covered by insurance, but she's not an addiction specialist)."

if female therapists work for you fine ,but i dont think that its a good idea for a single bachur with gye issues should consider your offer. but thats just MY 2 cents(now im really broke)

That's a tough one... I went out with 60+

but the one I ended up with is the perfect one for me.

took me years to get to the point of doing cheshbon hanefesh and compiling a list of the top 10 character traits I needed then married the first girl I went out with after doing that.

looked for someone I could bear to look at with at least 3 of the traits.

ended up with someone who at first I looked at as average looking then after un-addicting myself and getting to know her more personally realized I got the best that Hashem could have ever offered me

hopefully you will grow from your journey and remember that each one you date is one step closer to a better you and one step closer to your chuppa BH

whoever marries a ben-Aliyah like you will be very special and very lucky

Trying to hold back from being nichshal tonight

Got pritzus on my phone managed to delete it but having trouble deleting it from the trash so I still have it, idk

good to know that even the smartphone knows to call it trash

BH touching trash doesn't make a person trashy

Hashem gives us the ability to "clean up" every day.

there's a reason we don't shower just once a year... it's a contestant avoda
