

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Hope you enjoyed the update.

Hey YG, sorry if I intruded, would you be able to let me in on what has "broken your heart", is it shidduchim? I am a bochur too, it's not easy... I can try speaking it through if you can, I sincerely do care, you can send me pm or call as well

Bhatzlacha

Yes and thanks for the offer.

Not yet though

I sent you a direct message, take a glance at it, no need to respond just some words of chizuk. Hatzlacha!! You have a lot of energy that I have seen! Whenever you can Get back up, will be there if needed! Stay strong YG!

Thanks.

Get back up? I'm up bh, still clean despite the terrible whirlwinds of lies, manipulation, and disrespect.

Get back up? I'm up bh, still clean despite the terrible whirlwinds of lies, manipulation, and disrespect.

I was once almost engaged to a girl (was at the point of picking out a diamond) and then I found out that her family had been hiding from me a terrible and incurable genetic disease in her immediate family - after we had asked and checked.

this (beit Yaakov) girl and I had spoken about intimacy in an extremely inappropriate way for people who were not even engaged.

I had to break it off and it broke my heart. I've dated dozens of girls and her name is one of the few I usually remember. I had also found out around the same time I found out abt the genetic issue that she went through a tough traumatic experience.

in hindsight, I shudder at the thought of the trauma and other issues I would have had to overcome had I married her.

I eventually married someone else who was a much better match in every way - emotionally stable, non judgemental, etc.

Point of the story? It's very hard but trust that Hashem has your best interests in mind and each girl you go out with brings you one step closer to your wife. You both need to reach a certain level in order to merit one another.

Gd hand picks super heroes to serve him from hell. It's a unique challenge and a difficult one. I feel for you bro.

I believe someone that manages to make it through hell come out as bigger & stronger.

It's a complicated situation.

Not going through it makes you just a regular guy. Yes going through has the challenge of mustering the unnatural strength to break through the pain and rise above it.

My heart is with you. **You can do it!!**

Fell again.

I will say that reading through a particular thread(s) here on GYE "turned me on" and is what jumpstarted the taiva to which I fell to yesterday.

Not blaming GYE, y'all are great, just being honest.

Fell, shmell, blame, shmame.

Be honest with yourself - only you know if you're doing your best.

Sure as heck seems like you are.

Keep your head up and keep going forward. One day you'll turn around and see how far you've
