

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Mazal tov! It was purely an honor and inspiration reading your posts and experiencing your ups and downs together with you!

We are Jewish, so I can't let you go without an argument as a farewell gift.

I agree you may not have been unscathed throughout this bein hazmanim, but I disagree that you return to the wonderful bais hamidrash limping. No my good friend, you succeeded beyond your wildest dreams! You thought an outcome inevitable, (as I definitely would've too) and battle after battle you never crossed that red line. Did you get close? Maybe, that's life, but in the end you never allowed your side to concede even a centimeter of you very sacred and hallowed ground. Is that limping? To me that's proud marching! That's galloping! Determination visibly etched upon your brow, eyes straying neither right nor left.

So let the gates of the Bais Hamidrash open wide, in all its glory! Let it welcome in its returning hero a true loyal servant of God, let it embrace it's cherished warrior with joy and love! Our son is home!

May it be a zman of shtieging m'chayil el chayil.

With admiration and love,

Grant

Amen.

Thank you so much. It really means a lot

Hey guys,

So now that I bh don't have unfiltered Internet access, so no p prob, I'm moving to working on M.

I was planning to keeping track of my "clean" days starting from the next time I'm since I don't k ow exactly how many days it's been, but I was thinking why wait?

So it seems I'm around 10 days clean from M.

I prob won't be posting here everyday, but will do when taiva strong etc.

Thanks everyone for the support!

Hatzlocha!

It amazes me when people have the strength to post while they are fighting an attack of lust. I really struggle to go on this site when I'm in lust mode, as the yetzer tries his best to prevent it. So I know it takes real strength of character. Well done.

P.S. hope you didn't fall.

Hey, I just skimmed thru your forum a bit, and I'm impressed! Keep up the good work!

Ive been struggling for a while with the "P and M" and BH I'm doing fairly well right now(over 3 months clean). Its doable and its a struggle worth fighting.

Yeshiva is BH a safe haven, and during the zman is generally when I had/have the most success, but BH I finally had a fully clean bein hazmanim and it was great. Not trying to toot my own horn, rather trying be michazak that Ive been there(prob worse than where ur at) and Ive done that so its doable.

Feel free to reach out [boftheg1@gmail.com](mailto:boftheg1@gmail.com).

Hatzlacha!

You are craving pleasure. Will you have more pleasure in the long run by giving in or holding back?

It's hard cuz like in Yeshiva sometimes I gotta lie down and take a rest during the break, and I just don't have an eitzah on how to do that without taiva coming.

Any advice is welcome
