

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Took a nap and had a wet dream.

Was lying on my side and my body was doing certain "motions" while I was asleep which I guess caused the wet dream.

At first glance seems like masterbating is so much a part of me that even in my sleep my body does the motions...

If y'all don't understand what I'm talking about then don't worry.

But if u do, an explanation would be great.

Thanks

I would say don't worry about it at all my friend! Everybody has wet dreams. There doesn't always have to be a rhyme or reason or explanation. I have had it during very long stretches when I was clean from everything and I was permitted to be with my wife and it happened, that's just the way it is.

The way the ??? ??????? knew that ????? was an ??? ????? was because she never saw ?? on his sheet. That's how she knew he was a gadol hador!

You are doing amazing. Just forget about it, make believe it never happened. You can go into Shabbos with purity and holiness!

Grant

Don't worry at all. Normal, expected, and most of all, a good sign at this point where there is still a subconscious battle going on.... Keep it up tzaddik!

70 days clean.

This doesn't feel like it's so much a part of me, Baruch HaShem.

Nothing is inevitable.

As R Volbe says ???? ??????.

R' Volbe says it in the context of Aliya b'Ruchnius, but I think Pashut it applies here as well.

Thank you all so so much

Been doing great Bh, learning well, going to shachris etc etc.

Now just missed nightseder/maariv shmuzing with a friend, and I really wanted to write over shiur from today...

So now I'm sitting here, and I'm full of taiva to masterbate...

This isn't over. I've been shteiging well in Yeshiva and just cuz made a mistake doesn't mean I'm hopeless.

And surely it's not a reason to masterbate etc.

I can write it, but I gotta believe it...

My friend! Don't lose a streak of 4 x ??!!

Go write shiur! It will feel so much better than that other thing you don't really want to do! If you don't believe me then just ask yourself...

Had to watch a video for a camp I may work in this summer, so used the iPhone and unlocked vimeo to watch it.

After I watched it, had taiva to see bad, but didn't! Just got him to take it off Bh!

Had a great Seder/shiur today too, btw

I'm posting this l'Toeles Harabim.

Ive been clean Baruch HaShem for 74 days, and BH starting this week I've been living on a different level.

Shteiging in learning, chidushei torah, hasmada, kavana in tefila...

My mind and heart are open to being mekabel the Dvar HaShem.

And I genuinely believe it's a lot due to the Hatzlocha I've been zoche to thus far in Inyanei Kedusha.

As well, I davend with fire begging HaShem Yisborach to make me a Kli to be mekabel the Dvar HaShem and to instill within me the drive of mesirus nefesh l'torah...

Please don't give up.

HaShem hears you and loves you.

You have the ability to rise.

Dont be afraid to get up.

Let this be a message to all those who doubt whether mesirus nefesh is worthwhile.

Its worth it.

Shabbos was a shtikl rough. Had 2 emissions in sleep (no dream just woke up with it), and didn't wake up from alarm so missed shachris, and didn't chazer 2nd Seder...

A lot of taiva tonight, and just feeling "uch," so took melatonin and goin to sleep. Cutting my losses and hope to start a great week tomorrow

thanks for asking.

Havent told y'all but the sim adapter Zach I got from my friend never fit, and no one here has an extra one.

I gotta to to the shop in a few days so gotta remember to buy it, I keep forgetting.

Even if I'm not nichshal, I don't wanna have a smartphone. I want to marry a woman who doesn't want her husband to have a smartphone.

I want to get there, and small dumb things (and maybe even the Yetzer) are getting in the way.

Still having thoughts to masterbate or watch YouTube by tricking friend to put in the restrictions.
I can make more gedarim etc, I can change the friend who has the code etc,

but not interested in playing "cat and mouse" anymore with the Yetzer.

I did that for a year in first year bais medrash until I realized I had to just get a kosher phone.

Today was pretty good, my chavrusa was tired so he missed Seder so was hard to pull through,
and shiur was kinda hard, but these are the struggles which build a person! Bezras Hashem.

Really wanna work on hasmada without being a shoteh. I learnt thurs night until 3am shteiging
and woke up at 1pm, anyway,

sorry for not talking exclusively about Shmiras einayim/habris, GYE hasn't yet made a "yeshiva

As for feeling "Uch"

Anyway, Shkoyach chevra!

Here's a constant discussion I have between Myself and the Yetzer throughout the day
Especially when leaving Seder for a moment for the bathroom..

Yetzer: You learn Torah etc, engage in ruchnius all day which is great.

But you are depriving yourself of all Hanaas Olam Hazeh! That stinks! You're gonna be miserable your whole life.

Me: Listen, That's not accurate. I like food, that's hanaa. I like traveling,sightseeing, nature. That's also hanaas olam hazeh.

Take it easy, I enjoy Olam Hazeh (even though I'm eating healthy these days, but still).

Youre being way overly dramatic.

It's just this one Taava! This one taava I don't indulge in.

I'm not Rav Shteinman, I won't just eat cucumbers, I won't be such a big porush. But this? I can handle not masterbating and watching bad vids. Cmon!

You can have anything else.

But not this one.

Its Imaaseh scary though.

Masterbating etc was always such a basic hanaa in my life and now it's, bezras Hashem, gone. Forever.

Its lhavdil like stopping to eat ur favorite food...

Anyway, Gn!

I'm not sure if I should say this, but when you iy"h get married you will be able to enjoy this
hanaah in a muter'dige way. It will be 100x more enjoyable! Hang in there !

I hope there's toes in these posts besides feeding my ego.

Missed NightSeder cuz narishkeit, and was in my room was maariv time and felt big taiva to masterbate, was a struggle.

I felt like a failure.

But I got up and said "I don't care. I don't care if I'm not zoche, worthy, or even if GD doesn't want me. Doesn't matter. I'm going to learn."

Went to Bais Medrash and Chazerd 2 Amudim of Gemara Rashi Tosfos 3 times each. Baruch HaShem. Went smoothly, the words flowed...

This mahalach works for me, when the Yetzer says "HaShem doesn't want you" I often respond "I don't care. I will return to HaShem no matter what."

Now, maybe it's chutzpah maybe it's not, but it works wonders for me...

Anyway, Gn!
