

Make it to Yeshiva

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Been doing well with shachris, but slept through it today.

Yetzer: God hates you! On the day HE brought you to this world you spit in his face?!

HaShem is really gonna smite you now!

Me: I made a mistake, I have a Yetzer Hara (You!) and I failed. I apologize to HaShem, and will try doing better. I am still human.

And now chevra, I will go to my weekly chavrusa shaft with a guy in the Kollel here.

I will try to maintain positivity and optimism as I ride the constant turmoil of life.

Sorry if I bore you all with mentioning discussions between myself and the Yetzer.

I just find it helpful for me to be aware of every part of and every force within, my "Self,"

And recording it here is one of many ways I do that

Had a very good Shabbos BH.

I pushed myself extra hard to learn and was matzliach.

Took a short nap, had taiva to masterbate/touch, but bh  
didnt.

Motzei Shabbos, I'd like to work out and learn.

Prob is I'm not so in the mood...

Anyway, gotta be vigilant cuz this is always a rough time.

Will be bkesher

My Yetzer's having a hard time convincing me that I "need" to masterbate etc.

Cuz I'm like, Imaaseh he's wrong cuz I haven't done it in awhile and I'm doing great

Hang in there!

I found that Motzei shabbos is always the hardest struggle.

Hi, I am enjoying the way you seem to dig up old forlorn threads and bring them to the top so we can gain from them.

I noticed one bizarre thing. One of the points that I enjoy about GYE is the positiveness and camaraderie that we all have. Even if we disagree it is obvious that we are all brothers. In the older posts that you are bringing forward it looks like that wasn't always the case. There are many nuggets that I have found helpful, but some posts have shocked me and seemed so un GYE like.

Have you noticed this? Just wondering
