

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Thank you all for the kind words and chizzuk.

I was able to force myself to chazer an amud with Rashi twice.

And then I played with my younger brother who was downstairs.

I will say that I went to my fathers computer in the attic to be nichshal but bh wasn't...

My parents are back home now.

Its hard cuz my dad won't put filters on his computers and they are always unlocked in the attic.
And my brother has a computer in the bedroom next to mine.

And we have a lot of TVs which have YouTube access and it's impossible to block (after speaking to the company), so it's hard.

The only way I can get through this is with all you guys and the support on and off the site.

Thank you all and tizku l'mitzvos!

I can't imagine the schar of a fellow that is surrounded by unsafe devices and is staying pure. You are an incredible hero and deserve tremendous credit. May Hashem protect you. lyh after the successful bain hazmanim, you will have been mekadesh shem shomayim an a way that big tzaddikim would be jealous of.

My dear ROSH YeshivaGuy,

Hang in there. You are one of the greatest role models here. When I am faced with temptation, I've thought to myself that if YG (who is a bochur and lives in an environment not conducive to "streaks") is clean then I can't just give in. Please continue to be there for us.

I held on chevra, bh.

Was standing in front of a laptop... And walked away.

I did touch myself a shtikl last night though didn't masterbate.

Its important in these situations to not give an inch to the yetzer cuz then it's much harder, but I won't dwell on it and will move on.

Have a great day!

I fell.

Masterbated while on youtube.

Was clean for 198 days.

I had a way of getting the restrictions code, I won't tell u guys how. I pushed off doing it, and now I just gave in and fell.

I could have won this but didn't.

I spent all day cleaning for Pesach and pushing away the taivas.

But now I fell.

I almost called a GYE guy multiple times but didn't...

I am not leaving.

I am not giving up.

Though I'm disappointed in myself.

The dead,

YeshivaGuy

I'll broadcast the discussion in my mind currently.

Q. Am I depressed?

A.Nope

Q. Have I lost all my hard work? Have a ruined my Kedusha?

A. Nope. Life is a process. I'm way ahead then most guys my age and have done amazing.

I am not defined by some number chart on a screen. I have grown thus far and must keep moving forward.

Q. But you were Pogem the Bris! This is the first time in ?????, and now you will have a Rosh Hashana/Yom Kippur with this Pgam?!

A. Ok, so ur saying I won't come to HaShem perfect? I'm ok with that. And even if I would've been clean I still wouldn't be perfect.

Q. Do I admit that I am no longer clean and in affect am dirty?

A. There are no dirty Jews or clean Jews in front of HaShem. There are only Jews- Children of the Ribono Shel Olam. Some are on different paths with different shortcomings, but Hashems love is infinite for each of us.

Q.You were Pogem your Yesod! Oy Vey what's gonna be, your head is hurting because you were Pogem the Seichel which is ??? ????!

A. Your being way too spiritual for me. Take it easy and move on bro. You made a mistake so get up and work.

A person who speaks Lashon Hara after doing well in it for awhile isn't now "dirty." Rather he spoke lashon hara! Ok so he made a mistake so time to move on.

Dont bug out, don't fall more. HaShem is calling you (me), hear the voice and continue your (my) journey towards a life of Ledusha v'Tahara.

I welcome raayas or rebuttals to any of the aforementioned.

I'm awed by how your handling your fall. The Q and A was beautiful. Remember that you feel broken because we are inherently broken, and only Hashem can make us whole. I'm sure you are reaching out to him at this time. Keep inspiring us. The malachim in heaven surely envy you and are singing your praises. Hashem loves you as much as he always did and is giving you the strength to brush yourself up and get back in the game.

With much love, admiration and respect

YG,

Thanks for reminding me that you are human. I almost thought you were a phantom poster making believe as if you are withholding and overcoming such challenges.

I'm in awe of you. You are doing amazing.

Perhaps you were given now a new test to see if you will despair after this fall or just bounce right back stronger than ever.

I think you can bounce right back. Don't despair. Time to move right along. Keep shteiging.
