

Make it to Yeshiva

Posted by YeshivaGuy - 04 Aug 2020 05:33

Hi everyone,

First I want to say that I am humbled and honored to be in the presence of such Giborei Koach, true warriors of Hakadosh Baruch Hu.

I bh am not addicted to pornography.

I haven't been on a porn website.

But I'm getting close, and I'm here to gain chizuk not to fall into it.

Once I return to Yeshiva I'm safe, but as long as I'm home I'm in danger, and bh I haven't fallen into pornography. However it's the next step, chalila.

I bh am running a camp, so I started keeping busy, so bh have only been nichshal once in the last 3 weeks.

i want to just express my gratitude to all of you, and my great admiration for each and every one of you.

My Yetzer tries telling me "comon, porn can't be that bad, it's just the word that sounds scary" or like "it can't be so different than YouTube videos"

So I'm here to gain that chizuk.

thank you!

Thank you all for the kind words and chizuk on this thread, in PM, and on text/the phone.

It really means a lot and is essential to my growth henceforth.

Im trying hard to not dwell on the past so here's a quick synopsis of what had transpired:

Tuesday: I checked Google hangouts chat and saw that a girl messaged me in October.

I gave into my taiva and responded.

Let's just say she's not a tzadeikes...

Tuesday night messaging back and forth and saw pic of her.... I had tons of taiva and touched myself.

Wednesday: She stopped responding (I since blocked her). The day was going great. I worked out, davend, learned, cleaned for Pesach...

In the evening I gave into a taiva, texted a dif girl who I remembered her number for the last 6 years (I know I'm nuts). She blue checked me. It's 2nd time this year it happened, I was so so embarrassed.

That embarrassment turned to anger. I was infuriated that I had no female relationship/love and daily passing by unfiltered devices with no "sexual/emotional compensation" added to the fury.

So I started the Masterbating motions...

I then got access to restrictions code ((I figured out a chap that I can do to get it, it's very tricky and I had been pushing it out of my mind but I caved).

Few min on YouTube and masterbated.

The final "push" was really more out of defiance and that anger I described above...

B'kitzur, I summoned the strength that night, despite big pulls from the Yetzer to download an app before changing the code, I approached my dad and said I need a new code.

It was embarrassing and very difficult. I was frozen in embarrassment, but bh, despite the pull of the Yetzer and the busha, I got a new code and pushed through.

Today was pretty good bh. I'm feeling pretty positive and relaxed. I feel "relieved." Not sure why, I feel like that's a weird emotion to be having...

Anyway, that's the "quick" synopsis.

The main nisyonos here remain beyond my control.

Theres still unfiltered devices which they don't wanna filter and the TVs with YouTube access which the company says they can't block.

Nonetheless, I try to not despair, and anticipate the opportunity of this Zman Cheirusainu to harness the ????? ????-achieving my own personal geula.

Thank you all again.

I love you all.

The aspiring,

YeshivaGuy

Hey Yeshiva Guy. What you wrote about being angry about not having female affection was a really good description. I saw every guy in my shiur get married before me, and that was a huge push for me to masturbate. I don't know the right answer back to that logic, except for the fact that Hashem has an amazing girl out there for you, and you are helping her by helping yourself. (If anyone could weigh in on this I would definitely appreciate it also). Thank you for articulating these knotty feelings.

Amazing post, HY613!

YeshivaGuy, when you feel anger, dump it all out on us (especially if you are mad AT us!); that is what we are here for.

And I'm sure the poet in you knows Blake's famous lines:

"I was angry with my friend:

I told my wrath, my wrath did end.

I was angry with my foe;

I told it not, my wrath did grow."

Speak out your anger to those who care about you and it almost always diminishes..

Chag Kasher V'sameach!

Dear YG & All the other guys.

I know I may be posting on the wrong forum, but I just want to share how I almost fell.

Dear members,

For some reason I was having a hard time on Thursday. It may have been mixed emotions for being in a little scuffle with my wife, or simply just lust. I was googling lots of things which I should not have. My filter BH never let me see anything.

But there is one website that I could get on, which os amazon. For me if I am in a bad mood amazon is where I can fall. I almost fell BH I was able to stop it from coming out at the last second.

I was beside myself. It took me a few days to get over what I had done. I almost wasted 615+ days.

I was very upset at myself. I made a new commitment over the forst days to be careful and to make sure I dont fall.

I guess it was a learning experince and a dip to get me back on track.

Every time I posted that I was going to fall, you guys were always there for me and I am BH very grateful.

Dear YG, I understand very well how you feel as I am in the same boat as you.

Gut moed..

Just ate, my fathers goin out to do a chavirim call, would like to chap arein the computer upstairs.....

First seder was fine. Seacond Seder was nuts, crazy guests etc, was very difficult... but anyway, they had a daughter and BH! She was ugly but I still checked out her body parts a shtikl...

Today walking home from shul there were girls in front of me for a few moments.

I was able bh to keep my head down. The clicking of their heels was KILLING me!!

Somehow managed to just keep walking.

Anyway, I want a girl in my life I want a relationship.

Now they just left and I really don't wanna be nichshal.

It's rough here at home and the sedarim were very rough...

At the 2nd seder the father of the ppl who came was making fun of me etc about eating the k'zaysim of matza etc. whatever, very passive aggressive and difficult, nows not the place to discuss.

Bh I mantained composure and withheld my many sharp lines I could've said.

It was hard but I just closed my eyes and ate my matza, ignoring the guys insecurity...
