Dear Brother Reb Rebuild Shlit"a,

That is a far cry from negativity.

What I see / hear are the raw emotions of an authentic Yid.

Just like your heilige Rebbe, Dovid Hamelech.

Your gadlus is your refreshing honesty; your emunah (despite your pre-pesach stress) must be a beautiful korban in the eyes of HKBH.

I heard from someone a good word "**kosher it will be. Happy you have to be**"

I just listened in a discussion from my rav and some other good jew. And he told him that the

chazan ish. Had a bread box, and erev pesach he took out the bread wiped it out and put in the matzos for the seder in that same box. Lets not be more chimradig then the chazan ish and
