Nasty day, didn't fell yet,

in the worst case if i don't pull through the day, i ain't trying any more.

I'll quote what you wrote above...

I wonder how Dovid Hamelech knew/knows me so well.

?????? ??

?????? ??????? ?? ???, ????? ??????? ???.

I am faint and crushed exceedingly, i roar from the groaning of my heart.

???? ????? ?? ?????, ??????? ??? ?? ?????.

O Lord, before you is all my yearning, my sighing from you is not concealed.

?? ??? ???????, ??????? ???????.

For i to crippling pain am prone, and my ache is before me always.

?? ?????? ?', ????? ?? ????? ?????????? ?????????? ??????????.

Forsake me not O Hashem, my God be not distant from me.Hasten to my assistance, O Lord my salvation.

Keep on repeating these concepts and NEVER give up!

Hey Rebuild,

You were the one that brought me into the GYE family 123 days ago.

Leaving us would devastate an entire community.

I can't imagine the pain that your are feeling, but we are standing by and ready to support you through this tough tekufa...

Please hang tight, we've got your back.

Would my saying "If you withdraw I withdraw" - constitute coercion?

...cuz I have no place here without you, as you were the one who pulled me out of the dumps

Dear Demolished,

I am so happy to see that you are back. Your friends here missed you (whatever way you want to be called).

Unfortunately my yiddish is quite poor but if your yetzer hara gets you, it doesn't define you. You have shown so much strength in the past (your posts may be deleted but they can't be deleted from my mind and surely not from Hashem's knowledge) and those amazing acts are the true part of you.

(For those who don't know, our dear friend here decided he had enough, but it was late at night and TAG was closed and he didn't want to risk anything changing before the morning, so he threw his phone down the sewer. Truly an inspiration!)

If you insist, I'll call you **demolished**..After all, it was YOU who inspired me to demolish my yetzer hara 320 days ago!
