WOW! That's my post for day 10# lol! Ok so where on earth do I start?!? I had many mixed moments today but a really creepy 11:30-12:35 period of time like super anxious or my day lol! Ok here it goes! So the highlights of the day was an old rebbe of mine saw me learning in beis medrish and said wow! You add so much! So nice to have you here! That meant a lot to me! And I had another long shmuz with another old rebbe of mine lol! It was about people struggling with masturbation etc! And his point which I totally disagreed with what he said masturbating is very childish lol and he said it not using the word masturbate of course and he's kind of a guy that doesn't know the outside world lol! Haha! Anyway was nice shmoozing with him! I'm not gonna talk about a fall that I had anyway let's keep that aside I cried over it ENOUGH! Anyway, I'm taking the Kabbalah upon myself tonight until feb 1st 2021 bezH! So will see how it goes God willing! I've made up my mind I cannot continue playing around! I already made a big step in my life with taking a break with the relationship might as well come even closer to hashem

so I'm really happy about that!!! Went biking and learned where I love learning! But was very sad! And wasn't feeling so well! OH and I davenned with my friends brother haha lol! Anyway, went out with a friend and preparing for an upcoming party together! And I learned pretty well Bh!!!!!! And oh leaving the phone at home was SUCH AN ADJUSTMENT!!!!!! Was so difficult now I see how attached I am to my phone but it's so WORTH it I learned tons more !!! Will keep it up bezH!!! Anyway take care everyone!!!!!! Thanks for reading!!!

Hey all! I'm thinking to myself... why isn't today day 12? Like just because I had a slip... doesn't mean I don't count that day over all it should be a 40 day goal...(which is my goal for now) I don't know I'm just thinking there's always bumps and I'm not sure if it's good to like take of days! Like I feel like everyday counts so much regardless (even if you texted) and like today I'm thinking should really be day 12!!!! Cuz I am working really hard even the days I slip! I

I think you need to decide what it is you are trying to accomplish with this streak. The point of a streak has been discussed/debated on this forum extensively. Many of us are trying to overcome compulsive porn/masturbation/general lust habits. What thought process is it that you are trying to rewire?

Also, I've noticed you used the word "break" several times when referring to this period of agreeing to not seeing your friend.

In the words of Inigo Montoya, "You keep using that word. I do not think it means what you think it means..."

And feel ok with it?!? Two? Three? A week?!?!?!? Wow hashem has really helped me it honestly logically doesn't make sense how this is going so so smooth far! B"ah!!! Wow! Wow! Wow! it should only continue it's such a unique and interesting experience actually lol! To feel my friend like still I love her but I'm ok and settled to not text her... it's cool! But I'm convinced knowing the way things work and from the past ! That if we get back into texting daily and calling and meeting... after a week we're gonna be texting all the time lol! Anyway so day! 14! Is I went out with my family member Out to eat... and we actually watched a movie on my ! Anyway, it's.. so interesting... but the frum world is against it kind of... and I'm maskim! P'haps some strangers would reply to your post as follows

"We are all holier than thou and would never have sinned such as you did - son. You will have to pay every bit coin you own as penance to the lord of the eye manor. Cease all tap-sticks at once!

The fires of hell are cold compared to the bath you justly deserve"

Not on gye!!!

SAM YOU ARE AMAZING FOR SHARING!!!

Many of us have these little secrets that will never come out. It must be really hard to share what's going and what was going on with that relationship that you're trying to put on hold.

Warning: Spoiler!
