Hey;) what a fighter you are!

support

I'd just add to the above mentioned. Just a simple explanation why you shouldn't have a girlfriend. Having a girlfriend without being able to touch her etc is pure torture for a guy so it'll be better without having one.

This is obviously pary of the many other reasons meantioned above by others.

Another thing to have in mind, when you break up, do it with a professional guiding you thru.

Keep us posted

Hatslocho,

YES IT IS!!!! pure torture for a guy!!!!!! agreed!!! but pure torture to disconnect from such an emotionally connected relationship... one that I never experienced even with a guy... meaning that strong feelings of really having one n other .. so I'm really torn but I think I know the right
uts just the pain is so excruciating especially when since I'm wishy-washy it's not gonna
I'm hoping I do my part and hashem will take care of the rest! meaning I'll try to
stay strong as hard and as long as i can... and bezH hashem will maybe make it easier for me...
I'm thinking to post here at every week moment I'm gonna have to text her...

I just want to echo what everyone else is saying over here.

WOW!!!!

Amazing!! You're pulling through.

What strength!!

It's hard.

No.

Scrap that.

It's excruciating.

The emotional ties that are there are so hard to break through.

But that's why I'm so really proud of you.

I'll also second what our dear Grant is saying.

There will be times when you might come to second-guess this decision. You'll think about her and miss her.

Expect it. It's part of the package.

But don't let that hold you back from sticking to your decision. Stay strong.

IY" H it will get easier with time. But, it will take time.

The message, though, is that at those times when you're feeling all alone, remember, you're not.

Reach out over here. Let us know how you're doing, how you're feeling.

I'm also confident that if you stick to your decision, your level of AVOIDAS Hashem will go up.

You'll be able to focus better and be more involved in your learning. And even though it's difficult, deep down you'll feel good with yourself.

You are unbelievably strong!

I don't know if I were in your shoes I would be able to do what you are doing.

You know what you are doing is the right thing.

Yes, as you realize yourself it is not easy, not easy at all.

Yet you know your time and place.

Your heart is telling you one thing, your head is telling you another.

Life is about choices, it can get extremely confusing but you pulled through and chose to dedicate your next couple of years learn Hashems Torah. To become a better yid.

This is admirable.

May Hashem bench you with all the brachos begashmiyus and beruchniyus

And at the right time, you will find that "special" person.

I really admire your courage!

Hatzlacha rabbah

My own 2 cents.

I went to MO yeshiva. Very shtark. At the time i had a girlfriend AND my best friend was a girl
(??!!)

After Yom Kippur one year (I was there for a few years) I got frum. I gave up the friend. She
creid bittery and her friends claled me telling me i was evil. But i knew it right. And it was.

The girlfriend... that took another two years. One day she invited me into her hosue and i knew
that if i went in, I would regret it. I amde an excuse and then sent her a letter saying it wasnt
meant to be.

Not quite your story, but I get the idea of the closeness. This is going to sound harsh - it's fake.
There is no reality to it. My friend and I spent HOURS talking. Ripping the world apart and
putting it together. But it's fake as it's not what Hashem wants.

I actually came on here as I had some bad news and was really driven to porn. Would have been first time in nearly 3 years. So thank you for giving me the opportunity to help you and help myself.

Quite a story my friend. I'm never able to understand how people like you (not so from from

birth) can literally give up their entire lives, friends, relationships etc. Ima'an hashem. It's truly astounding! Thanks for sharing.

Now, what was the news you had to share?

Hi Grant

(sorry for the terrible spelling - my hands are cold and my typing gets worse because of it!)

I wouldnt be impressed with me. I suppose it depends on everyone's situation. I'm a fanatic. I saw truth and went for it. I gave up friends, girlfriends but not family as I l'maaseh came from a frum but MO family so most of family is now either charedi or frum MO. Then again, reading that, yeah! Be impressed :-)

I screwed up at work. Really annoying. Our car broke and needs nearly \$1K of work - which we have, but its not nice to lose savings. Dont know why, but just an inch away from throwing away 3 years and going for some nice, sweet porn. Just sad, tired, fed up with corona and bored of not seeing people (though i really do have a great wife and kids). But I'm hijacking this thread :-)

So because you saw truth and went for it, I shouldn't be impressed?!? Sorry I can't help it.

I screwed up at work. Really annoying. Our car broke and needs nearly \$1K of work - which we have, but its not nice to lose savings.

Warning: Spoiler!

just an inch away from throwing away 3 years and going for some nice, sweet porn.

Nice? Sweet? What? Are you describing your wife? Kids? Or something you are proudly writing that you've STAYED AWAY FROM for 3 years?!? Why were you running away if it was honestly so nice and sweet? I believe you don't really believe AT ALL!!!!

Just sad, tired, fed up with corona and bored of not seeing people (though i really do have a great wife and kids). But I'm hijacking this thread :-)

So let's understand the plan. You feel yucky, so in order to make yourself feel better you wanna do something that'll depress you, make yourself angry at an awesome dude like you, and make yourself feel way yuckier than before?

You know it will only make you feel worse, and as soon as you surface you will still have all the same problems, in addition to your relapse. So ...so....so.....Hatzlacha!

* * *

Three years of sweat,

Three years of toil,

Not one regret,

No more turmoil,

Take my money,

Even my car,

I may feel crummy,

Gonna stay a star.

Firstly Thanku all for your reply's! The date we set up that the relationship should "end" is next

! My "girlfriend pointed out something that to think of it like rab akiva left his wife 14 years because temporarily it was better for him to grow etc ... even though they were away physically they were still close at heart... I will continue to daven for her throughout and still care tremendously about her cuz she is someone I care about, respect and a lot of true love! this bumpy process it will bezH help us both grow and with the right mindset there's only gaining no losing by doing this... to comment on what Bego said that it's "fake" I'm sorry to sound like this but I think your comment was fake! Yes I do definitely admire you... you got out

of your own different situation and keep it up..!!! And your controlling yourself from porn etc ... AMAZING! But I think your very wrong... to say that all relationships are fake is such a stupid comment... there are millions of relationships in this world... your telling me since it's a girlfriend it's fake!?!? I hate to break it to you like this but... there are many stories of people meeting a girl when they're younger and marrying them couple years later... my own neighbor met his WIFE 3 years before they got married! I'm sorry bego... I'm proud of your accomplishments... but think your very mistaken in your comment... these comments make me feel so misunderstood... so painful... no one believes me this has real potential... I guess the day I get engaged I'll be excited to post it here to prove the world. YES it was real! Yes it was a relationship of GROWTH OF RESPECT OF REAL COMMUNICATION... I'm sorry I'm going on like this but I just think the world has to be a lil less judgmental and to stop jumping to conclusions... P.S I was fighting an intense battle with my yetzer... not to watch porn (I just got a new phone and didn't filter yet) ... so posted here to distract myself... so Thanku Hashem for this forum and GYE)!!!
