

My 2nd Roar

Posted by Gibbor kAri - 07 Jan 2022 02:40

I was looking up things online for work and the was a picture of a goishe chusen
 , scrolled away , looked scrolled away , looked , scrolled away .
I'm happy with each look away and saddened and angry with myself for each peek. So I am
restarting my one day streak. The day before the fall was with p-graphic online pictures. That
was really bad. After those falls I feel like I am smeared with Pork fat from the outside and
 . Hashem should be with all of us & help us beat this nemesis.
