Welcome! You might want to reply to one topic so all your posts will be in one place. You can anonymously share whatever information you're comfortable sharing. You can browse the forums to see what people post. If you would like to actually talk to someone you can try the partner/mentor program or call the GYE hotline 16464936600

Welcome!

Check out the anonymous partner and mentor program that GYE offers by clicking [here](#) (or copy and paste this into your browser's address bar: [guardyoureyes.com/tools/partner-program?view=accounts](https://guardyoureyes.com/tools/partner-program?view=accounts)). That should help a lot if you're interested in it. It also always helps when you have someone you know in person who you can speak with about these issues. If that's an issue for you (or you have any other pertinent issues), just let us know whatever information you're comfortable sharing, and we'll definitely respond back of how we dealt/still deal with such issues.
