Hi welcome!

you've come to the right place.

Keep snooping around the site and forums.

What do you want to stop?

What are your goals?

What have you tried in the past to break free?

Have you ever spoke with someone about your struggles?

Wishing you hatzlocha and success in your journey.

Want to stop masturbation and doing things that causes it and going to places

tried in the past on my own long time ago in yeshiva had a friend that we spoke about it to stop but it only lasted 4 weeks

Hey, welcome! You've come to the right place.

4 weeks is awesome Stick around, browse the forums and keep posting.
