---

After 20 years of porn addiction, I trying to start again. I live in Israel, and I married for 8 years. I struggle from a Yong age it's started wean I was kid and my pernts was faiting each other and I found the comfort in books thet had inappropriate images and develop to serching porn in the open wab thet we have in the home. My red line was broke in the last days when I got to irotic massage. Before I was just in the net and not involved in fisical. My English is not good but I prefer to write here for some reason thet I explain later. For now this was enough
