

We gotta get more people on to gye!
Posted by Geshmak! - 02 Nov 2022 06:36

I was just wondering... how do most people find out abt gye?? Like I happened to see it advertised on the seyim hashas booklet and bh this organization changed my life! Like I'm bh close to 100 days not being mzl and I'm over 100 days that I didn't speak to someone on chat lines (I used to not be able to skip a night) I'm still in the process of a full recovery but bh I already see a whole different world and bh have a much better life... but my heart goes out for so many more people that need this help but are not on gye. Maybe it's only we're I live (boro park) we're it not advertised but there is such a need for it! So many people would change there life marriage there connection with wife and kids with just one good conversation with Hhm it's so sad that they don't know abt this.... Or maybe they do but don't get hooked on ... we have to figure out strategy how to get more people hooked to this heligah site if you have a good idea post it and I'm sure gye will be more than happy to do it... like the person my wife cried to more than 3 years ago a very chushivah yid didn't know abt this organization and he tried to help me but he didn't but bh I found out myself abt gye but what abt all the thousands that don't know abt it?!?! At least the chushivah people in each community should know that there is real help . Like I was once having conversation with very chushivah masgiach he told me that once a bucher sees real shemutz he's gone and won't be able to get out... I wanted to scream that he's wrong and thousands of people that were in the shimutz and got out and have successful life's because of gye but I didn't I was scared he'd ask me how I know etc. Like gye is building the most and best site but we need good way to get people on and I think step number one is that the respected people that people come over and say they need help should know that there is help... step number 2 ?looking forward to see some great ides... brainstorm!!

Guys were always easily excited and todays world is much more exposed to exciting sights.

So i think there are many, many more people that could benefit from GYE. However, unlike Geshmak here, im not Geshma in any sense.....

how i can help.

you can daven for them that h should help them all find the light

thx again for your beautiful post!

chancy Hey there,

I firstly agree with Geshmak, just Davening opens up the heavens and makes yeshuos, although we don't see them it is harder to believe, so we have to really believe it is helping. Second, in a more practical way of speaking, you probally don't see your friends on here, but for all you know they are, or have their own program on the side or even a book. You never know and that can be in effect from your tefilos for them. But yes, in case I would say we do have to figure out a way to publicize this and make it comfortable for people to discuss like we are in order to save themselves, they just need a warm outstretched hand towards them with sincere love and care that isn't looking to criticize them or jugde them in any fashion.

Shkoyach on spreading your awareness and care to help others, it aspired me, thanks.

What do you mean with your post? Would you like to post some info of your struggle and receive guidance? Are you looking to speak or meet with someone? Are you looking for resources - therapy, articles, methods?

Wow gye is going strong bh!! I see we're up to 14,024 so many new members it's amazing! But I'm just wondering like what all you hundreds of new members do on this site ... like I'm sure most of you do the f2f program which is not stam and also so many beautiful stuff to read and watch in the library... but I'm sure most of you or all check out this awesome forum. But I don't see you guys posting on it... like come on! Can you all start posting abt yourself a little like what you struggle with and how you wish to get helped or what helped you the most... or what you wish can be a help etc. like nobody knows who you are so you can type your heart out!! It's so healthy you'll feel great after I promise (besides the responses you'll get) even if nobody will respond it still a healthy step to recovery it gets you out of your dark secret you won't feel like its u and only u going through this and it makes you feel so much more part of the gye family... and you'll see once u get your first post out it will be easier to post more and you can give and take so much chizuk!! So if your reading this and you haven't posted your first post yet... please please please do it right NOW!! (like what are you waiting for,hu?!?!).Just open a new thread and introduce yourself doesn't have to be major you can just write around your age (I'm in my twenties etc.) and your type (kollel, working, bucher, etc) and you can say when you started or what your biggest struggles are (porn , chat lines, or just plan can't stop being mzl, etc) and you can just say I wish to stop or I did this to stop or I'm working on this mehalich

to stop etc.

I'm looking forward to see all you new guys posting bhy!!

Gye going strong! 14,203 members on this life changing site!!

but I don't see to much of what's happening... like I wish more of the new chavrah would post abt their struggles and accomplishments. Like I'm sure the people working at gye see the progress like how many do the f2f program and how many guys reach 90 days, I wish I would know too. Nu nu, I guess you don't always get what you want.

I think that if the people who founded and run this place would get a phone call from the people who were helped by this place, it would be such a chizuk for them to hear firsthand of the impact they made/are making on so many people. So for those of us who are brave enough, I would suggest maybe calling them up and telling them, a little bit of how you grateful you are to be on GYE. A word of encouragement goes a long way
