

hello good people of gye

Posted by hakol tov - 02 Dec 2022 15:44

hi my name is hakol tov i just join the group of gye and yesterday i put a filter on my cellphone
i'm so happy with that after looking on porn for over two years with falls and ups let hope that i
should can stay with that for long time to come

WOW! If you are here after all that you must have amazing resilience! Keep up the fight and
KEEP POSTING! We want to hear from you, dear brother! We are all here for you, rooting for
your success! The f2f is great, I've found that when i a) wrote my story in detail and especially
b) spoke to someone that can help, it changed everything. Keep letting us know where your at!

hi her is hakol tov i have along journey to share first i work somewhere and i have the strictest filter and with filter i look on any image you can imagine porn and other stuff for two years i did not stop looking and maturbated as well now i worked by a place thet have a lot of unfilterd devices and i try to hold my self not to fail i have ups and downs and i try the best to make out of it so thet why i come up on GYE to try something else i tryed a lot in my past i learn musar sfurim as well i have a shier everyday and im mastur bating since i`m 13 with a tiny break of two years i`m merried and since my merrige i masturbate non stop i start the fligth to freedom program and let`s see if something will go on the better side

You are on the right website, and going on the right track. Keep on posting your struggles and the GYE members will bez"h help you throughout your journey!! ??? ?????!!!

Hi HakolTov

Sounds similar to many of us on here regarding the start at 13, amazing to see you here being able to express yourself is very helpful, keep it up and you will see great bzh with the gye members here when ever you need. Hatzlacha!!
