

Introducing myself

Posted by noselfconfidence - 15 Dec 2022 18:33

Ummm I've been looking at this forum for a while and I finally got myself to become a member of gye and post I saw Someone said that it's healthy to post so I guess I'll try

I'm in my twenties and I'm married and have kids learn half day work other half have very little self confidants I'm the middle child in a big family all my brothers and brother in laws learn all day and are big t.ch. I always felt my farther hates me even though I know it's not true now that I have my own kids but I always thought that way and I built a deep belief with me that I'm not good and my father is embarrassed of me and the only thing that made me calm and happy was to look at bad pictures in my mothers lady magazines and masturbate but today I want to stop But I just can't I watch the worst and my wife which I'm very close to thank you h for that knows abt it but I tell her it's an Old addiction that I have. She begs me to stop for my kids sake I tell her I want to stop for mine and her sake but I just can't. She tried to get me to go to therapy but I'm to embarrassed to meet someone. She recently told me to check out gye so I'm here I saw that someone wrote that new members should post so here I am. He wrote it will feel good to get it out but I actually feel bad ... I hope nobody knows me and u are probably all laughing at me for this weird first post. But I'm trying not to care and I'm really only doing this for my wife anyway she cry's in bed and I know it's because of me but just can't help it so I told her I'll try gye. Whatever

And HB, I really respect you and enjoy your insightful posts, I think the moderator would have no issue with the expressions you used above, being that you used a * in the word. I totally get that you were so upset, but may I suggest thinking it over? The call is yours, just bringing my sensitivities to your attention:) Keep trucking my holy friend! And keep posting!

reading nivul peh affects us negatively. asterisk or not. no matter what side of the argument one is on. when someone speaks those words, it is unfortunate, but it is a onetime thing. When it is written, it has the ability to impact many times over each time it is read. (i understand the intensity that can lead to such language and i am not condemning anyone for expressing their pain. one still needs to be aware of the consequences.)

That post was modified by removing 2 words...

Please keep the forum safe and clean.

Sry to keep you busy lately! (funny, while I thought it was insensitive of me, i thought it was allowed, is this a change or it has always been like that?)

Absolutely. But we have got to stop letting arguments between ourselves and our disagreements in general from getting out of hand. We gotta breath deep and relax. It's great to post your opinion about anything, RESPECTFULLY, but let's not get worked up. Like my friend HB likes to point out, we gotta separate thoughts from feelings. We can think what we want, but let's not let our feelings carry us away to who knows where. And let's get cracking at the recovery thing:)

Love this post.

#love the post. I wish there was a way to comment on each post without creating a whole new post. Like a "comments" section on each post. Just a thought. Especially for guys like me that love replying to a gatrillion posts a day :-)

Ok...time to say goodbye to GYE. I no longer find it healthy or helpful. In fact, it's at times a bit toxic. I will continue my count and that's it. No more interactions with other people on the site. To those who have helped me, thank you and hatzlacha. I wish you all only the best.

please dont go! (unless you really know that its not good for you,in that case who am i to tell you what to do) whatever you do , much hatzlacha! it was really enjoyable to read your posts ,you added a lot to gye !

if you do go C"V , can i have your karmas?

I'm not going so fast. I'm not done here yet. But just curious, why is your karma so low?

Dear HB, if you have something to say, I welcome you to say it. Go with G-d! However, it is not cool to use my words and strike through them to make your point. That is disrespectful to me. I have never shown you disrespect and I am surprised you would show it to me. You have no idea what was behind my comment and you didn't ask for clarification. Please do not "edit" my words again. With much appreciation, TG

Dear HB, if you have something to say, I welcome you to say it. Go with G-d! However, it is not cool to ... strike...

WARNING - LONG POST :-)

Over the past few days on gye many of us have been “Codependencating” - jumping the gun to try change someone else...

(Disclaimer - the following is my opinion :-)

A few days ago 1 fellow mentioned inappropriate desires which he may have acted on. Many - including our Heros jumped to “help” our brother - but did he want help? How many months was the guy on the gye forum that he’d be comfortable to have a serious 1on1 with any of us?

He stated quite clearly that he only joined because of his wife’s push.

Such people need time to acclimate and can possibly get help.

I recall another time many months / years ago where a molester posted once about some inappropriate behavior and immediately got push back from some of us, I’m sure getting him nowhere, so what was the point?

On this regard I’d agree with HB that unless the individual is a danger to a member of gye, or his posts are really problematic - he should be welcomed and treated with compassion and care.

All of us have some quirks.

Teshuvahguy, I agree it’s unusual to strike out text like our friend HB did, but a private pm would suffice, or better yet just KOT!

Let’s stop trying to change him. He’s trucking nicely on gye and so are you!!

I'm sorry. Yes it wasn't nice at all. It was a mistake and you should be upset at me. I wasn't sure if I should do it. I understood from the way you expressed yourself last night, that you wouldn't be coming back, therefore I was "moreh heter" to write it, because it wouldn't hurt you anyway. But yes, it was not nice at all and I should not have done it, so I would like to give you an apology, I'm sorry and I don't blame you for being upset, it was disrespectful and you have always been respectful to me.

You are respectful and have taught me much. I hope you can move past this mistake of mine with forgiveness and peace. I don't judge you if you can't. Feel free to PM me to continue the convo. Only love
