

Ok, Chevra!

Posted by Trying The Best - 24 Feb 2023 17:46

I was waiting for the day to post my first post, but was pushing it off since I couldn't sit down for a few minutes straight. So I decided that I'll just share how my week went through and with time

I BH started my current clean streak (hoping and I am sure it will last forever!) last week Shabbos after about 2 weeks of watching porn, and I am currently going into the 2nd clean shabbos, HOIDI LASHEN!! What a great feeling!!

I must say, that without connecting to one of our main actors - which is holding me on tight - here on GYE, I don't think I'd be able to get here!

It may sound very weird to feel great about being clean for 13 days straight, but every day being clean is a winner for itself!

On Thursday I was OLAH to the Torah and one of the Psikim I had was "V'USI LI MIKDASH V'SHUCHANTI BESOCHAM" and I was thinking to my self "what a beautiful msg from Hasehem "V'USI LI= you'll do for me, MIKDASH= you'll keep yourself holy by being clean from P & M, V'SHUCHANTI BESOCHAM= the Shchina will come to you and stay there.... powerful, no?

Have a wonderful restful Shabbos!! and looking fwd to getting and receiving chizuk and posting more IYH! Enjoy!

My dear fellow Jew,

Your post describes struggles yet at the same time I'm getting a very strong feeling of strength,

determination, and positivity.

Kudos you to for putting all those filters in place. Keep rocking, don't give in an inch to the YH – not for what you did or for what you will do. Big or small. Positive or negative. We disregard everything he has to say.

Keep it up,

Keep climbing,

Focus on the good.

Hi everyone. here again!

I would like to share with you a major Nisoyon I had this morning, which ended up being an unbelievable success story.

as you probably saw in my previous posts that my job is in houses before people move in so I sometimes go into non-Jewish houses when it's empty and sometimes I found stuff which does not belong in Jewish houses.

This morning I went into such a house which was empty, and I found there a DVD cover/holder which had about 5 DVDs, which you were able to see on the cover that this is directly sent and prepared for me to see if I will overcome this challenge. On the DVD there were pictures of what it's all about and I must say that I think this was "THE WORST I EVER BUMPT INTO", I don't want to trigger any of you, but that's what it was. I wish I can explain it so you can understand how strong the struggle was, but according to the pictures, and description I understood that this will literally kill my day and my mental life.

I was going back-and-forth in my mind, my mind was flying like a rollercoaster my heart was racing and bumping like crazy....! The YH has his techniques, he told me "take it away because the Yid moving in here shouldn't be ??????" but I was thinking to myself if this is going to be in my pocket any second longer it might end up not good, so I went with it to the nearest garbage dumpster, and I made up after a lot of back-and-forth in my mind (you can't imagine how hard it was.... Whoooff...), which was not easy at all, and threw it in to the garbage dumpster which stinks really bad instead of the cardboard dumpster, which does not stink so bad, because I was thinking to myself that maybe, maybe, maybe I will have a weak moment and would jump into the dumpster (this shows you how strong the challenge was...) I would definitely not jump into the garbage dumpster which stinks so bad, but maybe in the cardboard dumpster I would (unreal...)! "GARBAGE BRINGS YOU TO GARBAGE"

What made me overcome this challenge was that I was thinking to myself about the "cut the cord" method, like some of the other people mentioned about, in the forums. Don't beat around the bush and wait till it will be too late, just give it a cut off and DONE!

I took a moment after that, and I begged Hashem for all things that I need very desperately from him, and I believe he will fulfill my needs, and I would like to ask all of you to please wish me with Brachas and I should always be able to overcome these Major and Minor challenges!

thank you all, and have a wonderful day

You are a hero! Thank you for sharing the inspiration. And keep trucking! You are doing wonderful things!
