

Eccentric Trip to Freedom

Posted by EccentricComposer - 12 Mar 2023 02:17

I'm a Bochur in a main stream Yeshivah who's been working on a hotzaas zera l'vatallah problem for 10 years. B"H I've improved tremendously over that time, and when I'm away from home I have almost no issues. The main time I have any problems is when I go home over Bein Hamzanim and Off-Shabbosos, and even then I've been working incredibly hard and have been able to be Kovesh my Yetzeir Horah a lot. I'm just looking for some Chizuk and maybe some tips for when I go home so that I don't fall in! My main problems are sometimes seeing something inappropriate on the computer, though its fully filtered, and sometimes there are some magazines near my room that have pictures of women (they're not inappropriately dressed), but I am to embarrassed to bring it up with my parents, most of the time I fall in because I was thinking about doing it, and give in to the urge. I feel that the main thing I need is some Chizuk and people to update when everything is going well! My last couple times home I did great at the beginning, but it gets harder as time goes on, and I want to make sure that I'm totally prepared for Pesach Bein HaZmanim!

Thank you so much for taking the time to read this, and for the chizuk!

Have to be careful with emails sometimes. Opened up an email from a harmless business, email was not as harmless as I supposed. I made sure to completely delete it right away, b"h, knew I would post here instead.

Great job!

It's so easy to feast just a wee little bit...because you know, it's like not my fault...

Forgot to add haaros on the chapter today:

Brought down the famous controversial Tifferes Yisroel at the end of Kiddushin. I remember when I came across that maaseh one time when I was chazzering the Mishnaos; I almost cried, it was super inspiring, and I'm glad they put it in the book, even though it's surrounded by controversy. I think it's worth it to be told, since its so inspiring and powerful.

It's on the last Mishnah in Kiddushin on ??? ????????? ??????.

Thanks everyone for the support!

Hi, I am just discovering this forum and website. Needless to say that I have an issue with Porn

and M. I do not know what to expect or how I should navigate this. I am Jewish from a Conservative family. Any advice would be welcomed and appreciated. I am happily married and my wife has no idea of my issue. Thanks in advance

Day 18, super long today, but I read it, everything else going well, b"h.

If anyone knows how to change the name for a thread, let me know, I love having other people comment here, but I think the name might be confusing!

Click on the person icon on the top right of your screen, click settings and you will see the option to edit your profile name. Keep in mind, it is allowed only once.

Goodbye Eccentric Composer
