

Single and Clean

Posted by 1084 - 19 Mar 2023 03:42

Hi, are there any single GYE members who've for the most part are completely clean from M?

For myself, my average struggle has been somewhere between 3-4 per week, without Pas Bisalo I'm wondering if it's possible to be abstinent on a regular more permanent basis?

I would love to hear feedback from my fellow single GYE chevra
