

lets do this.

Posted by beno - 19 Sep 2023 02:04

excited to give this a proper shot and grow from this!

thanks for all who make this happen

Welcome! We look forward to hearing more from you.

Check out The Battle of the Generation. (See the link below in my signature. From there you can download it free, and there also is a link to buy it on amazon for around \$10.) It's a real game-changer.

Also if audio is more your thing, check out The Fight by Rabbi Ben Tzion Shafier. (Link is also below.)
