

scared from the urge to come

Posted by crispy - 19 Sep 2023 17:22

I am b"h 11 days clean. and i thank hashem with all my hart for this success.

but the story is that in all of this 11 days I didn't have any urge at all. it even starts to feel like this problem is completely gone, (which is most prob not the case). and I am very scared of the moment when this urges will come flying in my face, and they usually come in groups. I dont have menucha from this fear. i cant focus and be happy with my accomplishment cause this fear keeps popping in to my mind.

any thoughts on how to deal with this fear?

also how can i prepare myself for the urges that will most probably come back?

f2f program really helps. but i am sensing a storm and i feel i need something to feel strong (maybe someone can tell me which specific clip from f2f will be good for my situation)

its always great to hear advice from the intelligent people hear.

Mazel Tov on 30. Think about it rationally. If you did 30, isn't it safe to assume you can do 300, 3000....?

Regarding the urge itself, I personally deal with it the same as any other urge.

The balai batim forum is full of discussions about marriage advice related to our struggle.

My general way to deal with this is by not fighting with my wife.

I know I am repeating myself, but I must express this again.

The urge surfing tool is so amazingly powerful! it's unbelievable.

Last night, after a few weeks of being free of urges, it hit me really bad; I was definite that I would not have the coach to hold back, but B"h I to the ten-minute urge surfing, and the urge passed by.

Thank you, Hashem, for the kindness of 36 clean days.

Together with all people who are celebrating ?? ???? or ?? ????, I am celebrating my own ?? ?????
