I am 31 , married with 3 children. I don't want any extra time in my day and am looking for a chavrusa on the phone or zoom. If you are interested please reach out?

This may not be the ideal or safest place to search for a chavrusa.

Try:

<https://oraysa.org/chavrusa/search>

<https://www.torahmates.org/>

<https://www.partnersintorah.org/>

Aryeh, is there anything else you are looking for? Are you looking for a friend to stand at your side as you break free from lusting? Then this is the place

P.s. It could be that Aryeh sees the quality people here, and he realized it's hard to find similar

Well said, Reb Eerie!

On an entirely different note...the.guard, that shtreimel is *absolutely stunning*, can you tell me where I can buy it? I might actually consider ditching my Sombrero for something that looks like that....
