

my struggle

Posted by empoweredowl90 - 16 Sep 2024 16:56

Berushus all the Tzaddikim and Talmedi Chacham on this forum.I wright this with glimmer of hope maybe this is the end of the road!

Here is my story.....I got involved with these inyanim at the age of 12(Porn, masturbation).I had access to many unfiltered devices for over 4 years were my addiction got worse and worse and worse.....I tried everything from kenas to fliters to reaching out to experts but i saw no long term success.

A little bit about how everyone else viewed me.I was the perfect bochur a very clever mind and in truth a big masmid a budding talmud chachum,I learnt with guys way older then me,Rosh Yeshivis sons,Rabbis.I was the guy that if you have a kasha on the gemera i got asked.A very social guy friends with everyone.

I looked like i had everything,but i feel like i have nothing, on the inside I'm crushed and destroyed.

One of the things that upset me the most is it feel like hashem has giving up on me.The famous gemera in kidushin says someone that goes to purify oneself hashem helps them. I have the strongest kasha on that Gemera I have tried to purify myself countless times just to name a few attempts filtering my phone calling experts throwing out many devices etc.....And i dont see the siyata dismaya the gemera talkes about at all.....???!!!

That all being said I know that hashem is still there waiting for me to come to him(even though i think i have tried and got refused).

And that hashem is still my loving father even though i don't feel it..

whishing everyone hatzlacha From a struggling Bochur.

Agree with everything sssl. Hashem is in the struggle with us. He understands our struggle better than we do. You cant look only at the fall you have to look also at all the hard work that preceded it and understand that you are on a path that will break free of this. That is a HUGE

difference.

Good morning!

I commend your ability to write about your falls, like you have written about your triumphs. This shows you genuinely want to change and that you are in it to win it Bezras Hashem!

After falling you question the ability to ask for another year. I want to share a piece I heard from HHM (kdai to call him if you havent yet). The first thing he told me was I need to realize I am good person. A great person, actually. I daven everyday. I learn. I am a frum Yid. I try to fulfill the mitzvos. Ect. Aiy, you struggle with P and M? You were brought up in a generation with a nisayon so great, and zero education. The topic was (pretty much still is) taboo. It's a stigma to talk about it. Noone sat you down at 12 years old to guide you. You were left in a stormy ocean with zero resources. Yes, you need to overcome it, and Bezras Hashem you will. **NO, this struggle does not define who you are.** Just the opposite. The fact that you are willing to fight. The fact that you aare a Gibbor, enough to come onto GYE and put out your story, to try and overcome the YH. This defines you. The Eibishter no doubt is looking down at you Empowereowl90, and saying what a Gibbor, what a Tzaddik. Let me give him even more so he can succeed!

Hatzlocha!!! You got this!!!

last night i fell i l felt terrible.

How can i ask hashem for a year of life when he granted my request last year and i wasted it.

Instead of letting hashem in i repeatedly kicked him out.

Instead of using my limbs to praise hashem i abused them.

HOW CAN I NOW GO ASK FOR ANOTHER YEAR OF LIFE?

Instead of using my brain to learn the holy torah,i spent hours trying to get passed filters.

Instead of using my mouth to get close to hashem,i used it to distance myself.

Instead of using my eyes to enjoy hashems beautiful world,i used it to repeatedly poison my neshamah.

HOW CAN I NOW GO ASK FOR ANOTHER YEAR OF LIFE?

Instead of using my hands to put on the holy tefillin,i used them to feed my desires.

Instead of thanking hashem for all the Bracha he gave to me i only complained.

Instead of enjoying time with family,i wished for them to leave so could lock myself in the bathroom and feed my desires.

HOW CAN I NOW GO ASK FOR ANOTHER YEAR OF LIFE?

Hashem in his abundant of mercy gave me the month of Ellul for teshuvah but

Instead of thinking about ways to do teshuvah,i was lazy.

Instead of davining so hard since my life is on the line, I spaced out.

Instead of making/fixing gedarim i was breaking them.

HOW CAN I NOW GO ASK FOR ANOTHER YEAR OF LIFE?

Then pain in this post brought me to tears.... Buddy, I know the pain of self disgust..... I've said this so many years of my life.....

Stick around. Your journey won't be easy and won't necessarily come without bumps, but the people here will provide amazing support. You'll be able to see yourself in a more objective, positive way...

Imyh you will beat the damned beast!

Here's a hug...

Thanks for all the replays they mean the world to me, today is day 2 soooo.....yeh!

i kind of feel like this is a never-ending losing battle the only question is how hard u lose .I know intellectually its not true but feel that way. On a similar note how do go from knowing something to feeling it. For example i know hashem loves me but simply just don't feel it.

Dear brother empoweredowl90,

I would like to suggest two things, if I can.

A. Every night or every morning review in your mind a list of positive things Hashem has given you. The longer, the better. Eventually you will actually feel the love.

B. A battle fought alone, is almost impossible battle. The biggest favor you can do for yourself is call HHM. I called him 9 days ago. It's been a life changer having someone to talk to. To coach you. To encourage you. To hold you accountable. To believe in you. To pulsate hope through your veins. If you need, call from a blocked number (like I did) I guarantee you will not have regrets.

Keep strong Tzadik!

I don't have much to say except that I feel youAnd I would recommend exercise and calling hhm
