Hi everyone I just need get my story out for the support

i was a good tmimusdiga kid didnt know anything so much so that one day bachurim came into my room in the dorm and spoke about learning kesubos daf tes, nida,etc. and i ran out of my own room, but all that aside i still had a natural burning temptation to this unknowing what it is & what im doing, so at a young age about 12 i was looking at people in the street and thats it, than about 14 yrs old when i was experiancing a urge in the mikva i was playing with myself in the water which caused the zera to come out on its own which was my first experience with zera levatula since then i started going to mikva late so that i can have peace and quite to play with myself etc.

at about 16 i found a booklet of a hp printer in my house that 1 picture of a basically fully dressed women i hid it in the basement bathroom and used to go look at it from time to time playing with myself till it happened i discovered that i dont need to go under water in the mikva i can jusu do it on the floor of the bathroom but i didnt want to get dirty so i would put down my tzitzis and lay untop of it.

well well motzei sukkos we got back from our grandpearnts late at night i had terrible urges the whole hour ride home so as soon as we got home instead of helping unpack i ran straight to the bathroom in the basement and... a few minutes later my father upset that im not helping came looking for me and saw tzitzis sticking out under the door he understood whats happening banged on the door and made me admit my guilt found the booklet... then for 2 days he didnt utter a single word to me just gave me looks of disgust,those were the 2 worst days of my life feeling rejected of my own family for something thatwas so natural (& by now i know how small of an aveira it was there was baisically nothing not tzenious about that picture), after 2 days he spoke with me not in a loving way just that his rabbis told him that should be loving so he told me that he has to be loving but he wasnt really loving {im not upset at my father hes a very serious pearson by nature he definatly meant good he just didnt know how to do it} what ever the case it only got worse

fastforward 5 weeks before my chasuna i was with a friend in a kiosk in isreal we needed i think it was to book flights but he searched the worst stuff in front of my eyes that was the first time i came acroos real porn, although i ran out of the kiosk then but i was exposed and so 3 yrs after my chasuna when and if i found myself with a unfiltered phone and laptop i found myself watching porn at times when no-one was home.

after some time i cut that out hating myself for where i have fell to, but after a few months i figgured out a way to bypass the local kiosks filter to get bad porn pictures on ebay copied over to my email.

than about 4 yrs ago hashem randomly decided to lift me up as till then i was a kollel yungerman without ever dreaming of it hashem sent me a offer to join the chinuch line in a very prestiougess yeshiva but part of the curriculum is talking about shmiras eineim but ever since i have to talk about it i hate myself to no end knowing that i dont practice what i preach i asked

my rabbunim if i can quit my job but they all gave me chizuk & told me to stay but i didnt actually get helped just some chizzuk.

then it happened i always knew hashem loves me just look at everything hes done to me especially giving me my prestigious job, but it was allways contradictable to me because im a sheigitz so why does he love me, but a few days ago hashem again randomly sent me the meaningfull minute podcast of gye where i was introduced to this platform thats after runing to therapists but dropping out after 2-3 sessions cause i couldnt afford it, running to rabbaim but getting chizuk instead of help, i baisically gae up on myself, but hashem showed me that he raelly loves & its not at all a contradiction, he`ll help me eeven with this.

i found this really amazing because i saw that although i come from a very holy background balei ruach hakodesh & balei mofsim, i allways knew that they only achieved it due to their kedusha they were holy since birth never fell thru in this so im not going to get anywhere, but now hashem showed me that he`ll help me get to where i want even at the 30 yrs, nothing is contradictable there for i changed my user name from mevakesh 247 to rebakiva cause just like reb akiva who could start learning at 40, we can become holy pure and kedoishim at the 40 as well

my only wish is that hashem should help succeed in this journey to full freedom and kedusha together with all of klal yisrael everyone has pain from this, but everyone also has hope just like reb akiva.

Wow!! Summer! Summer! Summer!

Summer is really brutal, But at the same time it's really a breath of fresh air!!!

The quantity of work that has to go in to the summer days are truly indescribable, But at the same time the quality of the wins are also truly indescribable!!!

The bad feelings after a slip up during the summer are considerably worse {due to explicit content being available everywhere even if you stay away from the internet, walking down the streets, billboards, etc.}, But the deep inner Simcha of actually putting all the tools and strategies learnt on GYE to work 99.9% of the time, is something never ever experienced before!

I don't have words to describe my overflowing feelings of Simcha and gratitude for everything I've learnt here, for having a mentor holding my hand tightly and walking me through the hard times, and for actually mustering up the courage to USE all the tools including reaching out in times of need, and cruising through the summer BH intact {besides for a bump here and there, which are actually lessons to me, BH not an opportunity for the YH to convince me how worthless I am and that this is a never ending fight}!!!

Thank you GYE and most of all Thank you my GYE brothers and mentors!!!

Akiva
