Welcome to the warmest family.

This is a family where helping one another is top priority, where everyone is so warm and understanding of your struggles, a family that really provides the right tools and methods to really get healed.

First off there's the great f2f Program that gives you the correct training to become a experienced sharpshooter and win the battle for once and for all.

Also talking with the great people here has proven itself to be the most powerful to achieving true freedom.

Start off by the commander in chief HHM at micgelgerner@gmail.com, or MUTTEL at muttel15@gmail.com, or EERIE at 1gimpelovitz@gmail.com, I'm also available my details are below in my signature.

Looking forward to getting to know you and to seeing green stuff coming from you.

Keep on trucking, and keep us posted.

With love Akiva
