

Hi every1

Posted by progressivecheetah29 - 17 Aug 2025 20:50

Hi

I hope to share my story soon

Yallah! Take your time, I got the popcorn ready (but not *too* long — my ice cream is dripping here).

Hoping this one won't be too painful... just remember before you start — you're sharing your *past*. The *future*? I already know that part. And it's shining bright.

This story of yours has a very happy ending. Guaranteed. Just stick around here! You're already in the elevator to the sky
