Hello everyone, im new to this forum and site, i am married for about a year and i am an addict and have been for years, believe it or not i am in kollel now and have been in yeshiva my whole life. I cant control myself i love my wife and she loves me and i cant possibly tell her. I once alluded to it and she freaked out from the thought of it. It took me so long just to try and hint to her to tell her that i have a problem. Now i feel so lost, i can never tell my wife and now im just stuck here without anyone to talk to or confide in. Please someone help me and give me some hadrucha. I dont know where to turn and what to do. I wanna stop so badly but everytime I say i will stop i fall and every time i fall it hurts more and eats me up inside more and more. This forum looks so complex with so many different threads, i just want help, if there is anyone who can lend a yid a hand.

I vote for password with filter gabai. Should it come up with your wife just BLAME IT ON YOUR RAV. If she is a simple girl she will take that at face value

I did not know how to spell naive and I was writing on my cell phone w/o spell check, and I am toast without spellcheck, so I picked a word I knew I could spell right.
