

Hello from Blind Beggar

Posted by Blind Beggar - 28 Aug 2010 21:19

Hello Tzaddikim! I just found this site last week. I think it is going to make my Rosh Hashono and Yom Kippur. I think the newness of the 90 day chart will get me 40 clean days to Shemini Atzeres but I am afraid of what will happen next. Does anyone have any suggestions?

I have read enough of the forum to see that you are all tzaddikim and all serving Hashem every day clean and again after every fall.

The holy Baal Shem Tov taught that the yetzer horo is more interested in the post-sin depression than in the sin itself.

Blind Beggar who wants to have eyes only for Hashem.

5772 will be my first ever year 100% free of masturbation. Thank you, Hashem for GYE and SA.

We should all be clean for the whole of 5773!

I can say the same as well!! This is the first entire year since I was 14 that I have not been MZ"L bemeizid. And it was only possible through constant Siyata DiShmaya and the support of all my friends here.

May we all be Zoche to continued sobriety and growth, each and every day.

Gevura!

Reminds me of what my Rosh Yeshiva used to say: Chazal say, "Im poga boch..." If this menuval (i.e. the YH) meets up with you, shlep him into the Beis Medrash". So by now, the Beis Medrash is so full of that menuval and his cohorts, that even there we need siyata dishmaya to be holy.

Hatzlacha rabbah!

Hey, Blindini!

How have things been going since whenever? I miss you, man.

Here is a nice vort, too (from R' Avigdor Miller zt"l) - can you please import it to the beis midrash? Thanks! :

When G-d permits a good intention to come to fruition, He does so as a reward for the good intent. When He thwarts the intent, it is because the intender is being thereby chastised.

When a man's evil intent is permitted to become an act, it is a punishment for his intent. When his evil intent is prevented, it is because G-d spared him. All acts are G-d's; men have only the intentions. (Rejoice, O Youth)

Very good thwarting of the evil kichsaa generator. That thing makes me want to...well, never mind.

Oh, no, I do indeed go into beis midrash's quite often. But if I freely admit that on GYE, there are a few guys here who think I am the yetzer hora incarnate c"v. If they hear I go into a beis midrash they will say I was mekayem the Chaza"l about bringing the menuval into there, and they'll be happy!

I can't have *that*, can I?
