

Hello from Blind Beggar

Posted by Blind Beggar - 28 Aug 2010 21:19

Hello Tzaddikim! I just found this site last week. I think it is going to make my Rosh Hashono and Yom Kippur. I think the newness of the 90 day chart will get me 40 clean days to Shemini Atzeres but I am afraid of what will happen next. Does anyone have any suggestions?

I have read enough of the forum to see that you are all tzaddikim and all serving Hashem every day clean and again after every fall.

The holy Baal Shem Tov taught that the yetzer horo is more interested in the post-sin depression than in the sin itself.

Blind Beggar who wants to have eyes only for Hashem.

I have not masturbated for six hundred days and I am humbly saying thank you to all of you in GYE and to SA and thank You to Hashem because I did not and could not do that by myself.

It is true that I have not masturbated for 605 days but I have not given up on looking at the images of women on the Internet. I have been on the Chart for 96 days and for 221 days (both a long time ago). It is time to use this thread for getting back on the Wall of Honor for the 3rd time.

Tomorrow will be day 1, be'ezras Hashem.

Day number 1 (in binary, octal, decimal, duodecimal, and hexadecimal). By myself on the computer with no pressing work to do. I would love to look at some of the schmutz I can get past K9, but not today.

Mazal Tov BB!

i found it too easy to get around k9. Before and since getting some of my head on straight, i have found accountability software to be a potent tool in recovery. Every place i go on the computer is recorded and sent to my partner. At moments when i would gladly sneak a peek at something, anything, the report helps me turn away. If only we feared HASHEM as we do people.

BTW, GYE shows up on the negative list because of the subject matter. My partner understands. He said he once "got in trouble" because he ordered chicken thighs from some on-line source and it showed up on his report.

Continued Hatzlacha in all things GOOD!

And it was morning, and it was evening (that's how the chart works) day one.

On the second day I saw some naughty things but I did not dwell on them.
