LvK your a laugh a minute and you've convinced me that you are not an addict, just a baal tayva. But do us all a favor and the same way that you act like you're in kollel and therefore try to do kollel-type stuff, act like you're an addict and do addict-like recovery stuff that everyone is suggesting you do to help yourself. The worst that could happen is that you'll discover that you were wrong, it's all not an act you really are an addict, but that there is hope even for addicts.

im not here to argue if you have an addiction or not. you are going to have to admit that to yourself.

but regardless of this, what is the halacha of someone who has 2 paths to go down one is perfectly clean for a yiddishe neshama to go down. and one is full of pritzus etc etc. what is the halacha if he goes down the pritzus road and keeps control of his eyes? hes still considered a rasha? so if you decide to go down the internet road, even if you only watch normal movies (it sounds like your opinion is that normal movies are ok and its only the movies that lead you to p***) chazal tells us it doesnt matter. you must make sure you go down the clean path by putting up gederim (filters)

also, although im still in the course of taking control of this addiction, i dont have yeridas and aliyas, i always have aliyas even when i fall, cus each fall is an oppurtunity to see where i lost myself etc etc. the only time a person has a yeridah is if he makes it a yeridah.

when you are home, if your wife home? are your kids home? how about helping them with schoolwork, or playing with them. etc etc etc. that is what i would call really relaxing, being with the people you love, building your relationships up. i have a friend who at shalos seudos he told me he came straight from lunch to mincha, why, because he had a long lunch. he does not have kids yet, he didnt have guest over, he had a 3 hour lunch just him and his wife. that is called relaxing.

If i was a docter i would say you are not a addict. You are a total loony bin. Read this thread from the beggining and you will understand what i mean. Every second you change your story. If you cant get out and you say you want to.

Either your lying

You are a addict

hashems soldier, lucky guy the one who can seat 3 hs and talk....

frumer even if i am not an addict, still its hard to get rid of "good" things....

the movies with no "ral porn" in it (hollywood) are completly asur cause of many reasons: cause they have apikorsut, bitul zman, deot kozvot, not znius woman sometimes worse...

but porn movies well thats the deal.... its also asur..... its like to compare to speack in the middle of chazarat hashatz with chilul shabat.... both are asur.....
