oy lagger. but have you tried even one thing suggested to you? have you even read the handbooks?

how about trying relax WITH your wife. listen to music together and bake something together (it's not too girly don't worry plenty of dudes can whip up a batch of chocolate chip cookies)

go on a walk together, go TRAMPOLINING together...

you don't have to spend three hours talking about stuff she wants to tell you about.

a lot of times we turn to porn and other distractions because we are not getting the fulfillment we need out of life itself so we escape from it and chill.

find fulfillment with the life outside computer in your wife, your children, your friends your learnign, productive hobbies...

what more shoudl i tell you? there s not a lot more. you have said what your problems, i've listened, tried to direct you to a better place, but what more can i do?

by the way i really dont enjoy porn so much, i feel more like a cow that has to be milked (take out the milk) meaning i suddenly get a lust attack and i wanna get rid of it so i masturbate but its not a real enjoyment... i only do it for to get "rid" of the "weight" pressure" of the taave....

im not a goi that even with no taave he go to the club for chiks (makshe azmoi lodaas) and he works and developes by him self the desire..... im not like that, the desire attacks me first.... and i have to get rid of it....

so no i dont enjoy porn, porn is only a method a remedy to get rid of lust that attacked me before i started to wach porn.

how did it attack me? well by seen a pretty woman walking down the street.... (know the song...?) or by waching a movie (blockbuster hollywood)

sounds like a very very very very advanced stage of a sever addiction to lust and an even deeper addiction to masturbation/por*

an addiction DOES fit in with torah perspective. as jews, we still beleive in the concept of an addiction, even with the concept of we have the power to control every nisayon that we have.

the concept of an addiction does NOT contradict anything in torah

I'm trying to figure out who the sheygetz is on the one hand Bards says don't focus on the onesh but he's been sober for quite a while and works daily on improving himself and coming closer to Hashem. On the other hand you have LvK who things schar v'onesh is fundamental swears he's going to burn in Hell but is mishuketz in tayva can't keep his hand of his body or his eyes off anything thay wears a skirt but refuses to do anything about it. This is a tough one.

lol u have a point there....

anyway bardtchev was tryeeng to say that thats not where i should focus (tshuva)... i should reather focus in "health"....

and i ansverd him stop speacking nonsense who ever found out this "adiction" story, only created this for ppl that if you will tell them its theyr foul, they will get even worse.... so they tell to those ppl "darling my sweetheart bla bla bla.

could be in many cases its an adiction... like to pick the nose can turn into a adiction....

but i am defenetly a shaigetz right now and i believe in go,d (bards also believes, he is not a

apikoires, he was tryeeng to make a point, me 2...)

hakol bidei shamayim, chutz miyiras shamayim, your personality that draws you to lust was given to you before birth, but how you use it is up to you. like the example of someone who has the mazal to spill blood, just go into shechita or milah.
