it's not me, seems like adar-fever is in the air...

i have no idea how many chasidisher guys are here, this is an anonymous place, but there definitely are some chasidisher people here

and in any event, regardless of the denomination professed or not, i find the people here to be very sincere, kind and good hearted

nu, share something good with the oilam...

i may be clean for a while technically but the urges and attitudes are still there

its a very tough habit to change and it never really goes away, just becomes more manageable

but it forces you to live better, with more awareness and connection

do you read other threads besides this one?

hey zemiros

it bothers me so much that its so hard to get rid of this!!!!

i pray that my kids will not have this nisoyon amen

one of the things that make me depressed already now is: that my rosh hashono prayers are so difficult cause i say to hashem openly "hashem im sorry, but ill be better this year in evrething besides in porn, cause u know that it is a lie if ill say diffrently"

this is very hard for me i miss the years when rosh hashana i use to feel that i managed to ask forgiveness for everething.....

now its not any more like that ..... the porn issue goes through with only asking for forgiveness, but i dont promis hashem nothing

believe me i would sometimes castrate my self.... (by the way im not sure im an addict i just love orgasm..... love love love ;D)

about what u asked if i read other threads.... not enough.....

it's great that you are honest

and you can ask Hashem for His help especially if you feel so plainly that you cannot do it yourself

i encourage you to read more here, see the stories people have, and how things turn around and they live better and cleaner lives

no pressure to answer if you feel uncomfortable about it, but why do you want to discuss porn issues?

my problem?

PORN!

so i think that speaking about it helps me know my enemy MY enemy, thats why i prefer to speack about my point of view with the problem more then to read others, because there is many many angles in this porn problem, so i drive it to what intrestes ME. (thats what im doing )

but for sure i read others 2, im intrested to know how others feel about this, how others fought it etc.
