Yeah don't you hate that when these film companies film the actors while they're dressed.

Dear Laag

I'm so sorry to hear that you hate davening and you feel no connection to Hashem, it must be ruining your life.....

So what do you think about sports? Follow hockey? Baseball?

b'kitzur ah maaseh, vuss macht men?

Is today different than yesterday?

Will tomorrow be different than today?

How do you feel when davening: *Al hatzadikim, v'al hachasidim..... v'sim chelkeinu imahem! ??*

If we are *omed b'nisayon* for one second, ONE TIME that we don not look , for that moment we are in the category of Tzadikim!!

We ask Hashem for help that it should not be for just one second. that it should last FOREVER!!!!

i love it too, mainly the baroque cause its melodical, but i am ashamed to say that classical i only like also when its melodical but when it has a long piece wich is not so melodical, i have a feeling like the ???? didnt have a clue how to full up his 10 min or more so he did one or to melodical pieces in his ????? and the rest is just casue he has to have a 10 min long ?????, my feeling... so again i love clasical music only when its melodical.

I actually agree with you - I don't touch very much after 1850 - and I also find Mozart overrated. But I guess all that is behind you now, so there is little point tempting you into a discussion about things you don't want in your home.

Does your objection to *goyishe* music extend to Classical/Baroque?

cause my all life would be eazier, i oficially have a life of a good jew, but i aint, so where am i the most of the day? in shul. what do u do in shul? you daven, and i hate it! hate it! why do i hate it? cause im a piece of tumah, so i have no connection with hashem or with tefila (to learn i enjoy)

besides the few times in my life when i was clean it was a tremendous joy, i was from inside more happy, i was calm, i knew im doing good, all this feelings are priceless

I understand, as I'm sure many on here have felt a similar way. What do you feel is holding you back from getting back to that point?

Another question, did you feel differently about other things (life, your family, etc.) when you were in your pure state?

oh i forgot about te movies question.

i like every kind of movie besides terror and musical.

Can you talk to anyone about the films you enjoy? Or do you have nobody you can chat to about the things that you enjoy? Do you feel isolated from real connections with real people because you are living this double-life?

[quote]

All this discussion about classical music reminds me of the time when Henny and Seymour went to a dinner party with a real WASPy crowd. During the cocktails, Henny joined one of the conversations where they were discussing Mozart and Bach. Henny wanting to impress the ritzy crowd pipes up "Oh Mozart, I actually met him on the B29 going to Coney Island yesterday." At which point there is a deafening silence. On the way home that night Seymour turns to Henny, you had to open the big fat mouth of yours, you couldn't shut up. Dont you know the B29 doesn't go to Coney Island!!!!

whats holding me back, is because the only joy entertainemet i have is movies, and movies are triggers, and there is no way i should stop watching movies and news, cause i do that 4 hs a day, how can i full up 4 hs with something allse? what should it be? there isnt. so i goota watch movies,and movies are triggers.

And no i didnt feel diffrently about my family, i just felt more ????? to them, cause my goals and my life are the same as theirs...

Cool... Which ones? I'm guessing Bach, Beethoven and Brahms. And perhaps Schubert.

How close am I?

So you'd love to give it all up, but you're scared that there is nothing to replace it?

What do you mean "I gotta watch movies"? No choice in the matter?

i cant give it up, cause its silly, why is it silly? cause i have no replacement for it, so if i would give it up cause im in a good mood and i feel close to hashem, a day latter even if i dont want to porn away but i just dont have what to do, and what happens? i get bored, kranky, upset, cause i dont have what to do, so ill go to a blockbuster risk my reputation and take a film.... so enough of that (i can say enough cause it happend to me 10000000 times).

so no, no choice in the matter untill spillberg is gonna do a jewish drama film about the fight by the tetelbaum family, or the fire in new square.

no im not a yankes fan.

and i have tshakovsky (spell it for me) too
