With respect to "right"

Just as long as you're not blue about it.

It's just that you feel that you need to get rid of all movies, porn, outside influences and make *Teshuva* - all simultaneously and rolled into one. And if you don't, then none of it counts for anything. I was wondering if you feel that way about things generally, or whether it is specific to this subject.

Would you say that you are a black and white kind of guy - not clothing

You are certainly an interesting guy to get to know.

Do you play chess?

"And if you don't, then none of it counts for anything" you make it sound, like its a ?????? from my side.

but i quoted before the or hachaim. (this is a very complicated issue and very big one, its a shame to write a long megila about it, if u have a question about my way of thinking in this matter, be specific, and ill concentrate in the answer only in the point u made in the question)

i use to play once, long time no play.

and could be i wouldnt be good in it, cause im not good in making ?????? what would u do if i would do and than u would do i would do and than u would do 8 times ahead....

I am a man of business. You are a man of learning. I cannot possibly match your understanding of *Ohr HaChaim*. I would humbly request for you to give a very small *shiur* here to me (in your thread/house), so that I can fully appreciate it.

If you feel like a break, come over to my house/thread and we'll play a game of your choosing.

its when i see how ppl of bussines have so much what to offer, that i get tempted to through away my learning.... ;D

Well woman are a very strong power over us, the or hachaim says we can only win the battle cause we are jews and with the help of the torah, without it forget it.

And tora, is tora, its like 2 plus 2 is 4 and not 3.9 You wanna have the tora in your site u gotta really do it as it is complete

Now speacking more "stake" more gashmiut :

for my mind to stay clean out of all this nesecities (movies etc) I got to stay connected to hashem fully, cause if I am just doing a bit, meaning: I don't watch at woman but I speak lashom hara, it means im not really his slave, meaning, im not really careful about what he wants from me or not, so what happens is; that the second I get my lust attack I just go for it, be cause he aint really my boss....

But if i decide im his slave and I don't even speack lashon hara, well for a few reasons the lust attack is not gonna overcome me, 1) im not even really supposed to get a lust attack cause I am in constant been busy meaning my head is or davening or learning or reading, but never about the heavy stuff.

just circling around 2) and in case I did got a lust attack (cause I am a addict or cause I am human) I still have more power than usual cause I am his slave and I don't do things he dosnt let.

When you say "the battle" - what exactly does this mean? Perfection in every way? Trying our best?

And tora, is tora, its like 2 plus 2 is 4 and not 3.9 You wanna have the tora in your site u gotta really do it as it is complete

How many people do you know "do it as it is complete" in reality? By the way - being truthful, whom do you *really, really* respect?

So how have you tried (and failed) in the past? And what (if any) are your ideas for the future?

its when i see how ppl of bussines have so much what to offer, that i get tempted to through away my learning....

My dear friend. Look at it from my perspective. What wouldn't I give to be able to throw away my work, and learn all day?

we will never ever be able to look at a woman freely, never.

and we will always have temptations.

But if hashem helps us, we can manage never to look, to be able to kick away from our heads a bad thought, the sec it came in. We can be pure.

And tora, is tora, its like 2 plus 2 is 4 and not 3.9 You wanna have the tora in your site u gotta really do it as it is complete

lets say that i dont know, any body, so?

who do i respect besides mesi and david villa? mmmmm rabbi chaim kanievsky

well..... ??? ????? ????

and thats why my name is ??? ????? (you uderstand lashon hakodesh?)

also i never managed to keep a hermetical closed wall without averot, i get tired and than i start not to be carefool about lashon hara, daven with a minyan, getting angry at someone who upsets me....

my plan for the future? wow, no plan man, just waiting to get the gots to try again for the 1000000000000 time

(1) Is the achievable?

(2) How can it be achieved?

lets say that i dont know, any body, so?

So how do others live - what makes you different that you feel like you are failing, whereas they feel that they are not? Or am I wrong?

who do i respect besides mesi and david villa? mmmmm rabbi chaim kanievsky

Soccer fan, eh?

well..... ??? ????? ????

and thats why my name is ??? ????? (you uderstand lashon hakodesh?)

I read and translate it better than I understand it. I think I lose a lot of context, unless I'm "in" it and I know what is going on when I translate it. It does not come naturally, like English.

also i never managed to keep a hermetical closed wall without averot, i get tired and than i start not to be carefool about lashon hara, daven with a minyan, getting angry at someone who upsets me....

I'll give you points for persistence. But will you try something achievable? Something different? Or the same "right" thing?

Would anyone go into battle without a plan of attack? Would anyone go into battle with a proven losing plan?

Then again - what are our choices really? Do we have any?

Life is complicated.

for sure its achievable, if i would only have the strength of a bull! if i would feel a gunn in my head, that if i fail i get shot, wouldnt i manage? if i would be a good jew and feel the presence of hashem, isnt it like the gun on my head?

im just a bad jew with not enough will (i have a trememdous will, but porn has a lot what to say too....)

how do others live? do i care? or good or bad...

this is what it supoused to be. (complete slave to the tora)

and even i fell 10000000 times im not sure its not a good plan.... did i manage in any other issue like gelousy, stress etc? i dont manage in any bad behaviour to do teshuva neither in porn, dos it mean i am wrong with the aproach? or dos it mean next time i gotta do it even better...?

i agree that i want to stop even by a diffrent plan.

but to meet with ppl live (sa meetings) etc, its not even a smallest option

So one day soon, let's talk about what is realistically achievable, and available to us both to become happier people. Maybe tomorrow. Maybe next week. Maybe next month.

Sound good?

gggg

there is no more chance for me to get caught than a car should run me over, thats all im saying.

life is dangerous, but we gotta live it.... ill not cross the street cause of a car? ill not porn cause ill get caught? ill not fly by a plain cause its gonna crash?

YES i will do all that, and ill do all in my power not to die and not to get caught

Porn has made a stupid ass (the king james bible kind) out of you. Plain and simple.

You think something I said to you or posted to you about getting caught was a "warning" or shaking a motherly finger at you. That's too bad, cuz it's not what I mean at all. I am stating facts. You *will* get caught. Your reputation is already destroyed. And the damage to your marriage, children, shul, and talmidim has already been done. I pity them all, for it is very painful discovering that the man who you held of and thought was pure...was really watching dirty videos and getting off when no one was looking. It hurts the people in our lives more than it hurts us.

I am not warning you or trying to stop you, for I believe that it is all shoin ub-gerett. I am not 'warning' you in hopes that you quit. I frankly do not care for saving your soul, at all, because such fantasies of power I do not believe - I am not the Master of the World, He is. And maybe I am like you - not such a nice guy. As I said before, *kol me sh'ein bo **deyah**, ossur lerachem o/ov*. And somebody like you who can go around like this with good people forever and go right back to the beginning...has no deyah yet.

I still love you, though you have no *idea* what it really means to love - because you do not even love your own wife yet. But I do not have rachmonus/pity on you. Rachmonus has no t'fisah on you yet. You do not seem to want rachmonus, but only whine like a girl about *how hard it is for you*. And I do not 'give a rat's lower intestine' for your pain - future, past, or present. It would only hurt you if I did, chaver.

Good luck.

I wrote you that a few days ago, but you were too busy writing about heavy metal.

I like this Jester guy. You like him too, but I think you like him the way a cat 'likes' a mouse...interesting to 'play' with and act sincere. He's a smart guy....But if you go around and around with him and burn *him* out like you played with others here, I will find out where you live and make you **eat p'cha**....bli-neder.
