Your life is not empty, and I did not say that. Having an emptiness in life is very, very different. I know people with empty lives, and you most definitely are not one.

but dont forget that when i learn it gives me a tremendous push, and it makes me feel werth something...

So, what did you learn today, that you can tell me about? Teach me a little. Give me something.

I am only looking for a small present... For free... Freely given, by you.

If I say it will make me feel good?

some how u manage to tell me what to do, what is it with u??

it comes shavuot now, jews went out on a thursday, the torah was given on a shabat after 7 weecks, how many days do we have? not 50, so how come we say shavuot is the time of matan tora?

answers the rivosh, True nothing to do shavuot with matan tora, just today that we have the luach it happens to be in the same time.

shavuot is about bikurim not about matan tora. thats it no more tora here only porn brake!

I don't get it. Especially since in Eretz yisroel they still say Zman Matan Torasanu and they only have one day.

So it's not just Zionists who make a big deal out of *Yom HaBikkurim*?

Anyway, *Torah* was given *Chutz L'Aretz*. So it was on SECOND day Shavuos!

:D

But seriously - thank you. I really don't learn enough. Since you learn a lot, you can give me a small portion of Torah daily, and I'll give you entertainment. Deal? For one week.

Edit: I'm going to say this at my Y"T table. I'll sound really learned :D

So you will share something with me daily? Thanks. Even a small thing.

:D

My problem was always that I understood stuff quickly, but found it difficult to get it into my emotions, then actions.

understanding things quiqly is weirth (hope u know what i mean even i know im spelling it wrong) a lot only if u understand things STRAIGHT. and u seem to be naturally a straight head.

what u say about "but found it difficult to get it into my emotions, then actions"

im not sure what u mean beacause im not talking about been a good jew, about learning musar, im talking about understanding gemara

It could be that this is why the torah says to make Shavuos ?????? to further allude to the aspect of Torah Shbaal Peh. In that it is only through Torah Shbaal Peh that we know that ?????? refers to the day after Pesach and not Shabbos Beraishis.

I heard it being explained with a stress on the words **Matan** *Toraseinu*. This is a loшон of **Matanah** = a gift.

Until now the Torah belonged to Hashem; now it belongs to **us**!

The fact that Moshe Rabbeinu was able to push off the Giving Of the Torah until the next day PROVES that Klal Ysiroel OWN the Torah!

This was on the 1st day of Yom Tov Shevuos!

Is this what the ***Chidushei Harim*** is saying?
