I doubt that. But I do agree with your choice of the sunglasses emoticon. Sunglasses also keep the light from shining in.

the ramban says that the sfirat haomer is a long chol hamoed from pesach to shavuot, cause we only went out of egypt for the tora, so its connected

Bare and naked *Yetzer Hora*!! Progress!

You know, this is a common contention of the Y"H - "you had better stop doing your good stuff, because it is made dirty with the bad stuff, and better not to be done at all".

And you know, when Y"H comes out, it's only because he is scared...
