Not too much clearer. Let me ask you this, according to the Ran did they say a shecheyanu on sefiras haomer during the sman of the bais hamikdash.

Yeah, that's what I want that you should **live the learning** when you are out of here. Faux pas or is there something deep within you that really wants to flush and move on.

no, no partial teshuva, i really have to be conected, if i have holes im not conected (if i do teshuva im carefool with lahon hara etc.... its a lot of stress) it dosnt go diffrently, the porn is a huge power the biggest to my knowledge, you wanna win it you need full backup of hashem, its a complicated issue, ill speack more if youll ask a question in this matter.

You bring up 2 interesting points here. Firstly, that there is no such thing as "partial Teshuva", and secondly that you *"you wanna win it you need full backup of hashem"*. I understand you to mean "You need Hashem to help you in this battle, because you cannot do it alone". Because, by yourself, "you are powerless to stop", because the pull of this is too strong?

It seems odd, then, that you say your connection to Hashem is suffering, but only He has the power to take this from you. Unlike some people, I do not think you blame Him for this. If you need to stop for *Teshuva* to be complete, and you need Hashem to stop... How does it work?

I think what you are trying to say (correct me if I am wrong) is that you need to change yourself, and get Hashem on your side, and then He will look after you?

[One question:

Why are you [i]frum[/i]?

gggg, wow!

u got me there....

well first of all, i have no doubt after research, that there is a go-d, and that the torah he really gave it, and we are his ppl, and we gotta do what the torah says... i have not even the smallest smallest doubt....

And its a big shame that i have no doubt, because if i would have a doubt, i would through my judaism out of the window, but to my liitle luck (???? im lucky) im really big time stuck....

Now I understand why you **are** *frum*. Now tell me - what does it mean **to be** *frum*, and what is the **actual goal** of being *frum*? (2 separate questions) What say *Chazal* on this?

Is it through being *frum* that you get Hashem to help you, and overcome the difficulties in life?

Is *frum* what you wear, what you look like and what your traditions are, or is there a deeper side to it?

exactly.

just its very hard to get him my side..... in order to get hashem in my side wich is a tremenddous joy, i gotta give up a diffrent tremedous joy-porn.

Now, porn is a lie etc and hashem is a trouth and much more satisfying, but still its a lot of work and ?????? ??? ?????? ??? because:

to get rid of the actual pleasure is very very hard, cause there is between the desonection of porn and conection to hashem a period of time where you are not compleet desconected from porn and connected to hashem and u easy fall between the seats.

so i gotta give up a lot of joy for to get to the promised joy, and its freaking hard, cause u dont sell and buy.... u try to sell and u try to buy for a very long time.... u try and try.... and u buy a bit, but u didnt sell nothing, and then u sell but u didnt buy.... u get me.... its along time of working and tryeeng....

and right now im in a situation worse than that meaning i dont have the strength to move a cm from where im standing, i need a "vitamin" with good mood and hope.

well.

first let me tell u that even if there would be no meaning and reason for been frum, it dosnt change nothing, cause its the trouth and im stuck.

Now mmmm been frum is doing what hashem wants, some are lucky and feel joy, some are not.

some are lucky and love davening, some are lucky and love learning some love doing chesed, some love all of them.

One thing is for sure ?????? '?' ?????? ?????? ??, if someone devotes him self to hashem he is really really happy in this world and in next.

I will address what you said more fully in a while. Until then:

Have you ever tried to persuade a young child to take medicine that is difficult to swallow, but will make him feel **much** better after a few hours?

Hard, isn't it?
