signed: Z"S the son of my father and master Zemiros Yomtov"

that's all

basically saying that you are wise beyond your years

sorry about the language barrier

chances are that if you do not read it there is the possibility that you could ch'v get into deeper trouble than the wife sending you away without a ksuba....

hide it in the pages of a big gemara and shuckel over it on shabbos afternoon. unless your wife

some things are worth taking a risk for. your recovery is one of them. in my humble opinion

bekitzer nimrotz what it says is: take care of your self before u go deeper and deeper into it...

if you are waiting for an isarusa de'le'ailo to happen then why come here to GYE?

the whole point of being here is to get the isarusa de'leailo to activate...

if we wait for something or someone to pull us out we'll never get out

we need to make the move. open a pesach kechudo shel machat.

and let Hashem pull you out

but He will only do it if we are willing and ready
