so dov, what should i do now?, whats on the menu of my recovery now?

8. Made a list of all persons we had harmed, and became willing to make amends to them all.

9. Made direct amends to such people wherever possible, except when to do so would injure them or others.

10. Continued to take personal inventory and when we were wrong promptly admitted it.

12. Having had a spiritual awakening as the result of these Steps, we tried to carry this message to sexaholics, and to practice these principles in all our

affairs.

8 9 10 i dont know what they mean to say.

12 im doing right now...

a few steps look the same to me... (wich i gess im wrong)

but seriously dov ?????? ?????? what should i do now

:o

La'ag, I don't mean to be insulting -but if you think that what you are doing now is step 12, then it's not just 8, 9, and 10 that you didn't understand.

See, 12 is what **dov** is doing with **you!**

No, I'm not up to step 12 yet.

As a matter of fact, I'm working on step 0-1, maybe step .5 or something like that.

Oh, and what exactly was your joke this time? ???

No, not Mizmor leDovid.

A wide-eyed, idealistic American (probably Jewish) hippie schlepped all the way to India, to seek the Truth, at the feet of Maharashi Gupta Vida Sanhajipoopoo. (OK,so I made up the name....it's a *story*, for crying out loud so shut up and stop interrupting with silly *questions!*)

OK. So he gets there and is very tired, sweaty, and hungry. The Guru says hello and asks, "My son, why have you come?"

The hippie has been waiting for this moment all his life. Hungry and thirsty as he was, he blurts out his philosophy of life, the problems he has with it and with his society and G-d, and lists the best ideas he could come up with to work it all out and the reasons that none of them work for him. He then starts to explain exactly what he is hoping Mr. Sanhajipoopoo (his friends call him, just "Poo"...sorry, that was another interruption!) will be able to do for him...when he stops in mid-sentence, mouth agape.

While our little yiddle was busy expressing his deepest hopes, Mr. Poo was pouring his guest some tea. the cup was small, the chainik large, and the table round. About half-way through the hippie's litany, the cup filled up. Poo kept pouring. The hippie went on, a bit distracted...Poo went on pouring.

The table was covered with tea and it began to run over all it's sides onto the floor and finally hippie couldn't take the weirdness any more. He just stopped.

He asked the immediately relevant question: "Why is Your Poo-ness pouring the tea all over the place?!" (Mrs. Poo was used to this and had brought in some towels as soon as she saw)

Poo responded. "If your cup is already full with your own ideas, then whatever I add can only cause it to overflow and make a big mess. Are you ready to empty your head a bit and make some room for new ideas, or not?"

"another American dumkopf" coming up the dirt road!....sorry. I did it again! :

The American said, "No," and he went all the way back to Flatbush where he worked in a dry-cleaning shop until he died. (OK, so I really, really took my liberties with the ending. Sue me! But it was fun, no?)

OK. So, if you are gonna work these things, you need to make some room in the dusty, smelly attic of your head. The same head that produces all these great ideas like: "Hey, I am bored...I know *exactly* what I can do! Get another dirty video and watch it till I have to masturbate!", and other genius plans like, "Hashem is nice, powerful, and smart...but he really does not know how to make me happy, so I will have to take care of things by unzipping my pants now." and still greater ways of thinking like, "yeah it's a mitzvah to have a wife and children, but my wife is a pain in the neck and my children are a bigger pain in the neck (and sometimes even worse) and I will only be happy by ignoring their needs. The more I will try to care for them and help them, the worse my life will get!"

These kinds of ways of thinking come from not having a 3rd step.

We'll get there after #2 iy"H.

But do you have #1? Can you answer my PM'd questions, so we know?

i am big time deep in the first step....

its interesting but it scares me the idea that soon i am gonna have to involve hashem in all this.

i would love to be able to do it as a atheist ????? ??????

by the way dov i hope its not ????? anything what i am gonna tell u now, wich is:

before i say it let me just say that i am not 100 % sure about what i am gonna say only 99.99 %

In my opinion its written all over the sefarim that any aveira in the world and ????? this specific aveira of ????? once u got used to it u are by a few sefarim ????? ?????? and by other sefarim ????? ???

But even so they say that we jews can get out of it by coach hatora and by just preventing triggers (they didnt say "and u have to live with hashem... not only do it as a robot.... i wonder why..... ooooh maybe cause thats what they mean when they say torah.....)

the torah doesnt change if they wrote it 200 or 1000 years ago its stil aplicable to us, and we can do it.

?? ????? ????? ????? if in our generation its imposible to prevent triggers because we need to go to the bank and find a 18 year old shiksah who counts our millions of dollars etc its not a excuse, be cause ?? ????? ????? ????? and if u really mean it and u do all in your power to do the ratzon hashem youll manage.

No such thing that a person can be taken from him the bechirah, no such thing as addiction that a person is not in control of his maasim.(besides when u put a new suibstance in your body like nicotine or heroine)

this is the way i look at it.

BUT:

Because usually our yirat shomayim is down down down, per example me, I would maybe not hasitate that if I lets say wouldn't have children etc, I would maybe go live in hawai and drink beer in yom kipur ("??") so here is when i come to you dov and ask from u „dov please save me! Please give me this goishe idea you have and get me cured, cause my life isn't life any more”

BUT:

Dov I come to you because I have no koach to deal with hashem! He is way to demanding! Hashem says: I can only help you if u really come back to me! Why? Cause u are in deep kichsa my son, I cant help u get out of it if you only give me two fingers! You gotta give me both hands! ("???" ??????... and its hard now wich is a outcome of a bad relation with hashem, cause to be able to do all he asks you gotta have a good good relation with hashem, a relation that i enjoy hes company a relation that i cant wait for maariv cause ill be able to do again a mitzva of "???" and i am so far from this! cause my yirat shamayim is down the drain, hashem is not a joy hashem is a pain in the ass, he disturbs me to have life, he dosnt help me, true if i would work on thinking "ohhh hashem is so nice to me i have health i have kids a wife i have what to eat i have such wonderfool trees out side my house" it would maybe change my relation with him but i cant do it now ("cant" i mean i need a lot a lot of ratzon, so i told hashem once and for all ?? ??????? ?? ??????? live me alone, i cant give u what u want (what i need... he dosnt need nothing) so asta la vista baby

Now: I come to u dov and I hope you know how to do it without making my life a leaving hell

Cant wait
