laagvokeles, you are officially the coolest person in this forum. I don't know much about chassidish culture - one of my parents was from a dynasty family but left chassidus as a teen - but from what I do know, there seems to be a lower level of help available for people facing "new-age" issues. Seeing you break away from the mold to come and seek help is so amazingly cool, it seems like you're going against your society for the sake of truth, growth and ahavas HaShem.

I was gonna write what is more important than you, but now i can't think of anything...

And that my friends *is* an addict speaking if there ever was.

That kind of thinking is *exactly* what makes us what we are, and that is the change that we have to make.

From being self centered to G-d centered.

Thanks Yossi -Now I've got it, Yennem was Jewish, so he qualifies for La'ag's buddy list...

Hey la'ag, loooooong time no speak... I see you're still too shy/weak/confused (all the above??)  
To really want Hashem, and see His miracles.

I'm always praying for your benefit and for your family too.

But at the rate you're going, as you yourself have clearly said in the past, you're making sure your children are not inspired by the G-d of their own father.... Which automatically means these days, that you are causing a HUGE increase in the chances that they will someday be so sick of yiddishkeit and have to 'come back' (like 1000's of jews these days) through a Chabad House... Is that what you want?!

Believe me man, it'll be better for all of us if you just shape up NOW and inspire them just the way they are!

Yoshkeh i hate when i have to wait so long, what in the world is more important than me?

?? ???? ?????? ??? ??????

That, and:

dov!!!!!!!!!!!!

hello????????????????!!!!!!!!!!!!!!!!!!!!!!

should i understand that all this time you dont answer me, its because its a pause and i am allowed to fornicate????????????????

both your shtiklach above made me laugh out loud really hard (ask my daughter who was awake a few minutes ago. They do not see what I write, but she heard me laugh in her room and looked at me funny...but that's how she *a/ways* looks, really....hahahahahah...don't tell her I wrote that *please....next!*)

)

And as crazy and childish as it may sound coming from you, I really *do* understand what you mean about "nothing being more important than me!"- certainly when a person is being strangled, there is nothing in the entire world or anywhere else that is as important as them getting freed at that moment so that they might breathe again and live. Nothing else matters. Gevalt - this has haunted me this week and I am sorry to bring it up now.

But seriously - you are right. And the fact that you see getting better in this mess as a desperate need for you, demonstrates that you are on the right track, which is a miracle in itself, if you ask me. So, no, fornicating will not help you very much any more....

Yes, it's true - maybe He will not choose to get you well. But I have been around long enough to see that generally those who try, get better. And those who do not, get worse.

Hashem does want us to get better in this particular problem - so you are lucky this time, for acting out and lusting are aveiros!! Boruch Hashem for that! Now we know He wants you to end up clean, and He *does* assist many, many people to recover each year. I know a bunch of them. There is no reason to believe you are the miyuta demiyuta that it is better for Him that you just continue to do aveiros and lying.

I have to believe that He wants the good life for me, and for you. I see too much success to accept that it is only for yennem.
