

12 step prayers in Hebrew

Does anyone know of a resource where one can find the 12 steps prayers in Hebrew? I just think it would be easier to relate to.

I put the prayers into Google Translate and this is what came out. Maybe we can make a group effort at editing these? They're not quite usable as is. I copied the prayers from <http://www.teen-anon.com/prayers.htm> - one of many sites that list the prayers.
