

GYE ad campaign

Posted by wannabehappy - 05 Jul 2011 20:41

Guys

I just want to let everybody know some numbers.

I pay \$225 a month to run the current gye ad on the ywn.

We get 250 unique hits a month from there. That's less than a dollar a hit.

Id like to see it happen on more sites.

All we need is a budget of about 1000 dollars to really cover the jewish websites.

I've already pledged the 225 monthly for ywn.

Can anybody match it and let's paint the town blue!

Or can we get 8 holy members to give 100 a month.

You can pm guard,me or you can be mechazek everybody here by posting in this thread.

And remember every dollar you pledge is a hit!

Tizku lemitzvot!

Tizku LeMitzvos!

I also got here in late December via a YWN pop-up!

Unfortunately, I cannot contribute at this time but really want to express my appreciation for those of you that do -you are all partners to Hashem and Guard.

Thanks! You are saving countless lives and families!!!

Thank you so much for answering the call, zs guard and ebd, its great to know you're involved.

I feel humbled the veterans are joining my little project.

Guard thanks for clarifying,were in the 400 range average daily instead of the 200

There you have it, people, let's get that number close to a thousand.

Every dollar counts, we need your help.

We're raising the average by close to 100%. For the mathematically challenged like me that's double!

Another \$200 and ill commit b'n to maintaining funding on another major jewish web site.
Probably matzav...

Im also working on facebook ads....but we'll leave that for another time.

Some of us know that if we would have been out of isolation and with gye a little earlier we would be much better off. Please give your brothers and sisters the liferaft they need to live happy,meaningful lives.

Please keep this thread live with whatever pledges you can!!

It seems there are some people who are nervous about how to give.

There are lots of ways that you can donate anonymously.

The simplest is to send a money order. I know that gye has a couple of different addresses they can use.

You also can send money directly to the particular website well be advertising on.

Another way is buy a gift card from american express or visa and pay the gye site by credit card.

You can also just tell whoever it is that you're nervous about that a friend of yours who has a problem with addiction told you how awesome the site is and you were just grateful that you don't have what he has.

People there are a lot of ways to make this work.

There is a thread on gye, where did you find out about gye....

Look through the thread.

We are not on all the jewish sites consistently.

that means we are just missing people.

Its a known concept in Judaism that when you need to fix an aveira there is tremendous zechus and siyata dishmaya in helping other people in your aveira area.

Also if anybody has some more ideas on another way or venue for advertising,that could help more people or different backgrounds.let me know.

Rabbosai I cannot afford this alone. Please help!

i wish i could give, but i dont have an income, im only in high school

Rabbosai

Sorry to be rude.

I don't believe that just cuz we're short on funds it means we can't put together 5 dollars.

5 dollars can get a lot of people to be able to start living their lives completely changed.

Counting Zs pledge I was able to raise about 100 dollars.

We just need another 150 for another ad.

If you know what it does for you,how can we let people just surf on by??!!

I can't begin to tell you what it feels like to support a cause so dear and close to my heart.

Open your hearts, wallets,eyes,minds and give what you can.

Please keep this thread rolling.

rabbosai,

wanna be is right. although i am a teenager and dont have a job, i am learning with a kid over the summer and i wanted to do it for free but the father said that he has to give me at least 100 dollars.

i bli neder accept to give \$5 per month for 1 year.

if everyone gets together and pledges a little bit we can get an ad and raise serious money, just put together what you are able to, i am putting together JUST 5 dollars per month. im sure that many of those who work make 5 dollars in ONE hour.

by myself i am only 5 dollars, based on wanna be's last post we are up to \$105. but if we all build up together we can really do a lot of good for klal yisrael.

tizke lemitzvos!

me too! bl'n

thank you HS for the impetus

if i can spend a few dollars on hamodia/mishpacha/binah(don't tell bards)/yated/zman then the least i can give is \$5 for GYE, which besides for saving lives and marriages (!) also provides a wonderful forum with great chevra who easily rival all those publications with their wisdom, wit and wherewithal
