i tell myself

"Get up and Leave!"

go out in the street for five minutes.

five minutes only, thats all.

make sure "???? ????????" stop in to the nearest shul and

[b]zug ah kappitel tehylim![/b] or two or three. better yet, say the same one a few times

most importantly, as Matisyahu puts it, ain't no one not gonna break my stride, ain't no one gonna hold me down, oh no i got to keep on moving. Stay alive!

or in yiddish

I used your advice after I read this yesterday - Not that I was down but I could use some G-d. On my way home from work pulled in to shul Said 5 kapitlach and had a work with Hashem and continued home.... I am sure you'll get some zchus for it..

Keep on saying thillim my friend.
