your original post is here

[www.guardyoureyes.org/forum/index.php?topic=4655.msg123070#msg123070](http://www.guardyoureyes.org/forum/index.php?topic=4655.msg123070#msg123070)

When you hit reply it just adds another post to the "thread". Keep posting on the original thread you started. It's kinda like a long conversation.

I hope this helps.
